Dear Mr. McNally:

RE: OzzyJuice SW-4 Heavy Duty Degreasing Solution

This is further to our letter of March 12, 2015 and in reference to your submission of April 10, 2014, addressed to the Canadian Food Inspection Agency (CFIA), which was forwarded to our Bureau on May 23, 2014, seeking our comments on the acceptability of the subject product for use as a *cleaner/degreaser* in food processing establishments.

Based on the information submitted, we can advise that we see no reason to object to the composition and use of this product in food processing establishments provided that:

- a) There will be no contamination of food as a result of its use and storage; and
- b) Surfaces subject to direct contact with food are thoroughly rinsed with potable water prior to re-use.

The label of the product is deemed to be acceptable for its use in food processing establishments.

Yours truly,
