CRC Gasoline 1TANK POWER RENEW®

FROM THE MAKERS OF CRC Brakleen
The #1 brake parts cleaner among professionals!

UNSURPASSED PERFORMANCE IN COMPLETE FUEL SYSTEM CLEANUP

PROVEN CLEANUP IN ONE USE

Contains NITROGEN-BASED PEA DETERGENCY in concentrations strong enough to dissolve carbon deposits IN ONE TANK - PROVEN!

- *RESTORES Fuel System to Like-New in 1-TANK!*
- *97%* Total Power Recovery – **PROVEN!**
- *99%* Injector Flow Improvement – **PROVEN!**
- *5.7%* AVERAGE MPG Improvement – **PROVEN!**

DIRECTIONS: ***Read entire label before using this product.*** Using ENCLOSED FUNNEL for convenience, pour entire contents of bottle into nearly empty gas tank. Refuel with up to 25 gallons of gasoline/ethanol fuel. Safe on oxygen sensors and catalytic converters. Safe for flex-fuel vehicles. DO NOT use in diesel fuel.

INDICACIONES: ***Lea toda la etiqueta antes de usar este producto.*** Usando el EMBUDO INCLUIDO, vierta todo el contenido de la botella en el tanque de combustible casi vacío. Llénelo con hasta 15 galones de nafta/etanol. No daña los sensores de oxígeno y los convertidores catalíticos. Apto para vehículos con combustible flexible. NO lo use con combustible diesel.

WARNING: Contains Petroleum distillates 64741-86-2, 68476-34-6, Polyether amine 800967-5502P / 800967-5485P, Solvent naphtha 64742-94-5 and Naphthalene 91-20-3. Product is combustible and should be kept from heat, open flames and other ignition sources. Avoid continuous breathing of vapor. Avoid contact with skin and eyes. Overexposure to liquid or vapors can cause irritation to eyes, skin, and upper respiratory tract, and central nervous system effects such as headache or dizziness. Product may pose an aspiration hazard if swallowed. Use with adequate ventilation. This product contains chemicals known to the State of California to cause cancer, birth defects or other reproductive harm. **FIRST AID:** In case of eye or skin contact, flush with water for 15 minutes. If swallowed, DO NOT induce vomiting. If too much is breathed, remove to fresh air. For severe overexposure, call physician immediately. For additional information, consult SDS for this product. **DISPOSAL:** All used and unused product should be disposed of in conformance with local, state and federal regulations. Do not dump in sewers, floor drains, on the ground, or into any body of water. **KEEP AWAY FROM CHILDREN**

ADVERTENCIA: Contiene destilados del petróleo 64741-86-2, 68476-34-6, poliéter amina 800967-5502P / 800967-5485P, solvente de nafta 64742-94-5 y naftalina 91-20-3. Este producto es combustible y debe mantenerse alejado del calor, de las llamas y otras fuentes de ignición. Evite respirar continuamente sus vapores. Evite el contacto con los ojos y la piel. La sobre exposición al líquido o al vapor puede causar la irritación de los ojos, de la piel y del tracto respiratorio superior y efectos al sistema nervioso central tales como jaqueca o mareos. Este producto puede representar un peligro de aspiración si se ingiere. Úselo con ventilación adecuada. Este producto contiene productos químicos que de acuerdo con el Estado de California producen cáncer, defectos de nacimiento u otros daños reproductivos. **PRIMEROS AUXILIOS:** Si entra en contacto con los ojos o la piel, enjuáguelos con agua durante 15 minutos. Si se traga, NO induzca vómito. Si se inhala demasiado, diríjase al aire libre. En caso de exposición severa, llame inmediatamente a un médico. Por mayor información, consulte el SDS de este producto. **DESECHO:** Todo el producto utilizado y sobrante deberá desecharse de acuerdo con las normas nacionales, estatales y locales. No los vierta en desagües, rejillas de piso, en el suelo o en un lago o arroyo. **MANTENER ALEJADO DEL ALCANCE DE LOS NIÑOS**

Made in U.S.A.

CRC Gasoline 1TANK POWER RENEW®

It takes a high concentration of nitrogen-based polyether amine (PEA) detergency to dissolve the hardened carbon deposits in your fuel system and this formula is loaded with it!

Intensive formula DEEP CLEANS:

- *GDI Engine and Port Fuel Injectors*
- *Intake Valves*
- *Combustion Chambers*
- *Emissions Systems*
- *Carburetors*
- *Intake Ports*
- *Cylinder Heads*
- *Piston Tops*
- *ENTIRE Fuel System*

Restores fuel system to like-NEW in 1-Tank!

- *Reduces engine knock, ping and run-on*
- *Restores lost engine performance & fuel economy*
- *Innovative formula with real test results*
- *G2P® Technology reduces emissions*
- *Intensive deposit cleanup allows for easier cold starts, faster acceleration and better airflow*
- *Works in gasoline & ethanol blends*

CRC® Gasoline 1TANK POWER RENEW®

COMPLETE FUEL SYSTEM CLEANUP

LIMPIADOR PARA SISTEMA COMBUSTIBLE

RESTORES FUEL SYSTEM TO LIKE-NEW IN 1-TANK!
DYNO-PROVEN UP TO 97% TOTAL POWER RECOVERY
PROVEN 99% INJECTOR FLOW RECOVERY
ONLY NEEDED 4X PER YEAR

WORKS EXCELLENT IN ALL GDI AND PORT FUEL INJECTED ENGINES

HIGH-CONCENTRATION NITROGEN-BASED POLYETHER AMINE (PEA) DETERGENT CLEANER

CAPLESS GAS TANK FUNNEL INSIDE!

*Based on actual user results

TREATS UP TO 25 GALLONS | **MONEY BACK GUARANTEE**

Part No. 05815

DANGER:
HARMFUL OR FATAL IF SWALLOWED.
READ WARNINGS ON BACK PANEL.

15 fl. oz. (444 mL)

Fórmula intensiva LIMPIA PROFUNDAMENTE:

- *Inyectores de combustible directos e indirectos*
- *Válvulas de admisión*
- *Cámaras de combustión*
- *Sistemas de emisiones*
- *Carburadores*
- *Puertos de entrada*
- *Tapas de cilindro*
- *Cabezas de pistón*
- *SISTEMA COMPLETO de combustible*

¡Deja el sistema de combustible como NUEVO en 1 tanque!

- *Reduce el golpeteo, explosiones o retardos al apagar el motor*
- *Recupera el rendimiento del motor y el ahorro de combustible*
- *Fórmula innovadora con resultados reales comprobados*
- *La tecnología G2P® reduce las emisiones*
- *La limpieza intensiva de depósitos permite el arranque en frío, aceleración más rápida y mejor flujo de aire*
- *Funciona en nafta y mezclas de etanol*

OUR MOST POWERFUL FORMULA

UNSURPASSED PERFORMANCE in complete fuel system cleaning.

Reduces emissions & the need for expensive high octane fuel.

Cleans intake valve deposits and combustion chambers for easier starts, faster acceleration and better airflow.

Cleans GDI and port fuel injectors to increase mileage, power and reduce hesitation.

Restores fuel system to like-new clean in one tankful.

Removes harmful gum and varnish from carburetor and emission control components.

Newest technology with maximum allowable cleaning chemistry for superior results.

Works in gasoline & ethanol blends.

RENDIMIENTO INIGUALABLE en la limpieza de todo el sistema de combustible.

Reduce las emisiones y la necesidad de usar combustible caro de alto octanaje.

Limpia los depósitos de la válvula de admisión y cámaras de combustión para facilitar el arranque, acelerar más rápido y mejorar la circulación de aire.

Limpia los inyectores de combustible para aumentar el rendimiento del combustible y la potencia reduciendo las irregularidades.

Deja el sistema de combustible tan limpio como nuevo en sólo un tanque lleno de combustible.

Remueve la goma y al barniz perjudicial del carburador y los componentes del control de emisiones.

La última tecnología con el máximo poder permitido de limpieza para lograr los mejores resultados.

Funciona en nafta y mezclas de etanol.
