Cleans Fast • Dries Fast • Leaves No Residue • Cleans Fast • Dries Fast • Leaves No Residue

K&W Brake Cleaner removes brake fluid, grease, oil and other contaminants from brake linings and drums. It also stops disc brake squeal. It can be applied without disassembling the brake unit. Tests conducted by an independent research laboratory show that the proper use of **K&W Brake Cleaner** can help improve brake performance.

CLEANS AND DEGREASES Brake Linings, Cylinders, Drums, Clutches, Springs, Disc Brake Parts, C.V. Joints, and Other Related Brake Parts.

DIRECTIONS: *Read entire label before using this product. Follow all directions in numerical order.*

1. DO NOT use on polycarbonate plastics such as LEXAN®. If in doubt, call the manufacturer of equipment. MAY ALSO BE HARMFUL TO OTHER PLASTICS. **2**. Protect all rubber brake parts, plastic and painted surfaces from product and overspray. DO NOT spray directly on painted surfaces. DO NOT apply while equipment is energized. **3**. Wet down surfaces to be cleaned using short bursts of K&W BRAKE CLEANER at a distance of 18-24 inches. Avoid breathing any dust or vapors that may become airborne (See inhalation warning). **4**. After all surfaces have been wetted, continue spraying K&W BRAKE CLEANER to remove contaminants. **5**. Air dry or wipe with a clean cloth. **6**. For heavy deposits, repeat application as necessary. **7**. Runoff should be collected and disposed of properly. See disposal statement.

Professional users should consult MSDS and follow all applicable OSHA regulations.

MODO DE EMPLEO : *Lea la etiqueta antes de usar el producto. Siga las instrucciones del modo de empleo en orden numérico.*

1. NO USE el producto en plásticos policarbonados como el LEXAN". Si tiene alguna duda, llame al fabricante del equipo. PUEDE DAÑAR A OTROS PLASTICOS. **2**. Al aplicar, proteja todas las partes del freno de caucho, plástico y áreas pintadas, de tal forma que no se rocíen de producto. NO atomice directamente en las áreas pintadas. NO aplique con el equipo energizado. **3**. Atomice las áreas a limpiar con aplicaciones cortas a una distancia de 18 a 24 pulgadas. Evite respirar el polvo o el vapor que quede en el aire (vea la advertencia de inhalación). **4**. Después de que todas las áreas han sido cubiertas, continue atomizando el K&W BRAKE CLEANER para remover los contaminantes. **5**. Déjelo secar al aire libre o limpie con un trapo. **6**. De ser necesario, repita la aplicación cuando se trate de depósitos gruesos. **7**. El sobrante del producto debe ser desechado de manera apropiada. Vea el informe de procedimientos de desecho

WARNING: Contains Tetrachloroethylene 127-18-4, Trichloroethylene 79-01-6, 1-Bromo Propane 106-94-5 and Carbon Dioxide 124-38-9. Do not puncture, incinerate or store can above 120 F. Exposure to high temperature may cause can to burst. Do not place in direct sunlight or near any heat source. Keep away from flames and other ignition sources. Vapor may decompose to harmful corrosive gases when exposed to flame or other heat sources. This product contains chemicals known to the State of California to cause cancer, birth defects and other reproductive harm. Overexposure to vapors may cause eye and skin irritation, headaches, nausea, dizziness, irritation to upper respiratory tract and irregular heartbeats. Deliberate misuse by concentrating and inhaling the contents can be harmful or fatal. Use only in a well ventilated area. Avoid continuous breathing of vapor and spray mist. Avoid contact with skin and eyes. Vapors are heavier than air and will collect in low areas. If ventilation is not adequate, respiratory protection should be used.

FIRST AID: In case of eye or skin contact, flush with water for 15 minutes. If swallowed, **DO NOT** induce vomiting. If too much is breathed, remove to fresh air. For severe overexposure, call a physician immediately.

KEEP AWAY FROM CHILDREN
MANTÉNGASE LEJOS DEL ALCANCE DE LOS NIÑOS

Disposal: All used and unused product should be disposed of in accordance with federal, state and local regulations. DO NOT dump in sewers, floor drains, on the ground or into any body of water.

ELECTRICAL SHOCK HAZARD: This can will conduct electricity. Do not touch can to live electrical sources including battery terminals, solenoids, electrical panels and other electronic components. Failure to observe this warning may result in serious injury from electrical shock.

For additional information, consult the Material Safety Data Sheet for this product.
