CRC MULTI-LUBE

- LUBRICATES, PENETRATES, CLEANS and PROTECTS all metal surfaces.
- SAFE for use on all plastics.
- DISPLACES MOISTURE from wet or flooded equipment.
- CAN ELIMINATE ELECTRICAL SHORTING due to water penetration, condensation or corrosion.
- LEAVES A THIN, MOLECULAR, NON-HARDENING FILM that increases equipment life by combating the return of moisture and corrosion.

Directions: Read entire label before using this product.

1. Spray light, even coat to protect surfaces and to seal out moisture.
2. Apply liberally to loosen rusted parts.
3. Spray wet surfaces until run-off is clear and moisture free.
4. Do not apply while equipment is energized. Allow to dry at least 4 to 6 hours before energizing.

All used and unused product should be disposed of in conformance with local, state and federal regulations.

ELECTRICAL SHOCK HAZARD: This can will conduct electricity. Keep away from all live electrical sources including battery terminals, solenoids, electrical panels and other electronic components. Failure to observe this warning may result in serious injury from flash fire and/or electrical shock.

HMIS: Health: 1 Flammability: 2 Reactivity: 0 PPE: B

WARNING: Contains Petroleum Distillate 64742-47-8, White Mineral Oil 8042-47-5, Butyl Stearate 123-95-5, Fatty Acid Ester 1338-43-8 and Carbon Dioxide 124-38-9. Do not puncture, incinerate or store can above 120°F. Exposure to high temperature may cause can to burst. Do not place in direct sunlight or near any heat source. Product is flammable and should be kept from all flames and other ignition sources. Use only in a well ventilated area. Avoid continuous breathing of vapor and spray mist. Avoid contact with skin and eyes. Overexposure to vapor may cause irritation to the eyes and respiratory tract, headaches, dizziness, anesthesia, drowsiness, unconsciousness, and other central nervous system effects. Deliberate misuse by concentrating and inhaling the contents can be harmful or fatal. Vapors are heavier than air and can collect in low areas. **FIRST AID:** In case of eye and skin contact, flush with water for 15 minutes. If swallowed, may be harmful or fatal. Do not induce vomiting. If too much is breathed, remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give oxygen. For severe overexposure, call a physician immediately. For additional information, consult the Material Safety Data Sheet for this product.
