

# 1-TANK Power Renew™

**COMPLETE DIESEL SYSTEM CLEANUP IN ONE TANK**

**3X More Potent than Leading Brands!**

Treat your engine to **1-TANK Power Renew™** and get back the power, performance and MPG you've been missing!

**CRC Diesel 1-TANK POWER RENEW** is a concentrated one-tank cleanup that delivers a powerful SHOCK to your dirty fuel system. Made with the maximum available chemistry it's the most powerful diesel fuel system cleaner on the market!

Carbon deposits can build up and harden on intake valves, piston heads, cylinder walls and injectors leading to decreased MPG, hesitation, stalling, loss of power and excess exhaust emissions.

**1-TANK POWER RENEW** features G2P® technology for aggressive deposit and emissions cleanup. This breakthrough formula provides **MAXIMUM** deposit removal and power restoration in just one tank of fuel — proven by *exceeding* the industry standard XUD-9 and new CEC DW10 engine tests.

### Product Benefits

- Unparalleled one-tank cleanup
- Maximum power restoration and deposit control
- Helps increase MPG
- Helps your diesel engine run more efficiently
- Boosts power instantly
- Cleans injectors and prevents fouling
- Helps free sticky injectors
- Reduces exhaust emissions
- Works great in BIODIESEL blends
- EXCELLENT cleanup for the sticky injectors frequently found in modern common rail systems

### Power that LASTS

Cleanup lasts months – no need for everyday fuel additives!
