

## ***I. Product Description***

**Cable Clean® Fiber Optic Cleaner** is a high purity, non-chlorinated, quick drying cleaner specifically formulated for use on delicate fiber optic and telecommunication splices and cables without leaving a residue. The formula removes “icky pic”, contaminants and charged polar soils, preventing residue that can lead to transmission distortion through spliced cables.

## ***II. Applications***

Recommended for the cleaning of fiber optic and telecommunication cables prior to termination or splicing.

## ***III. Features & Benefits***

- **Specifically Formulated for Fiber Optic Cables.** Removes “ickypic” and polar soils.
- **Fast Evaporation.** Reduces down time associated with other cleaning methods.
- **Leaves No Residue.** Eliminates secondary cleaning procedures, and reduces splicing and termination time.
- **Non-Chlorinated.**
- Available in **individually sealed wipes.** Wet/Dry Combo Pack serves as handy, portable, mess-free method of cleaning for field use.
- Available in **1 quart bottles** for controlled application of product.

## ***IV. Physical Properties***

<b>Flash Point</b>	55°F (TCC)	<b>Boiling Point</b>	177°F
<b>Odor</b>	Slight ethanol odor	<b>Solubility</b>	Complete in H <sup>2</sup> O
<b>Appearance</b>	Colorless liquid	<b>% Volatile</b>	100%
<b>Vapor Density</b>	2.07	<b>Specific Gravity</b>	0.786
<b>VOC Content (Fed)</b>	785 g/L	<b>Vapor Pressure</b>	32.8 @ 20°C
<b>Sara Title III, Sect. 313 Chemicals</b>	No		
<b>Prop 65</b>	No		

## ***V. Specifications and Approvals***

- Not Applicable.

## **VI. Performance Characteristics**

Not applicable.

## **VII. Directions**

- Unscrew cap and remove safety seal before first time use.
- Apply directly to cable from container or with lint-free cloth.
- Wipe conductor and jacket until clean.
- Make sure surfaces are dry prior to splicing and termination.
- Not recommended for use on plastics.
- Do not apply while equipment is energized.

## **VIII. Disposal**

Disposal requirements vary by state and local jurisdiction. All used and unused product should be disposed of in conformance with local, state and federal regulations. Do not dump into sewers, on the ground, or into any body of water. For additional information, consult the Material Safety Data Sheet for this product.

## **IX. Special Use Warnings**

Flammable. Keep away from open flame, heat, sparks, and any other sources of ignition. Avoid breathing vapor and use with adequate ventilation. Liquid is irritating to the eyes and skin and contact should be avoided. Vapor may be irritating to respiratory tract and may cause headaches and dizziness. Vapors of this product may develop a flammable atmosphere in contact with flames, sparks, or ignition sources. Wash thoroughly after handling.
