

**HydroForce® Foaming Citrus  
All Purpose Cleaner**

***I. Product Description***

**HydroForce®Foaming Citrus All Purpose Cleaner** uses an exclusive maximum clingability formula that blends the power of HydroForce with a rich, foamy, aqueous-based cleaner with a citrus scent. Using a super foaming formula, **HydroForce®Foaming Citrus All Purpose Cleaner** clings to tough vertical or inverted surface soils without runs or drips. It's foaming action covers dirt, dust, grease, ink and grime with powerful, butyl-free cleaning agents that instantly begin to lift-off and eliminate the deposits. With a quick, easy wipe, **HydroForce®Foaming Citrus All Purpose Cleaner** cleans the surface and leaves behind a non-sticky, squeaky clean surface with a pleasant citrus scent.

**HydroForce®Foaming Citrus All Purpose Cleaner** is non-corrosive (pH = 11), biodegradable, butyl-free, non-abrasive, safe on most plastics, non-flammable, industrial strength & non-ozone depleting.

***II. Applications***

**HydroForce®Foaming Citrus All Purpose Cleaner** is perfect for work stations, counters, walls, ink rollers, grills, paint preparation, shop equipment, lawn & garden equipment, appliances, vents & exhaust fans, tubs, sinks, showers, garbage containers, tough stains on fabrics, canvas, plastic, fiberglass, vinyl, rubber, polished metals, stainless steel, non-porous surfaces and vertical & overhead surfaces.

***III. Features & Benefits***

- **Foaming.** Aqueous cleaner dispenses in a rich foam.
- **Maximum Clingability.** Minimizes runs and drips by clinging to vertical or inverted surfaces.
- **Citrus Scent.** Leaves behind a pleasant citrus scent without a sticky residue.
- **Biodegradable.** Will break-down to a natural state in the environment.
- **Non-Abrasive.** Will not scratch or score equipment finish.
- **Non-Flammable.** Aqueous formulation reduces risk of fire (see MSDS for details).
- **Low VOC Content.** Reduces contributions to ground smog by volatile organic compounds.
- **No Class I or II Ozone Depleting Chemicals.** Offers exceptional cleaning alternative to chlorinated products while complying with EPA regulations on the use of CFCs.

***IV. Physical Properties***

<b>Flash Point</b>	None	<b>Boiling Point</b>	212°F (initial)
<b>Odor</b>	Citrus	<b>Freezing Point</b>	30°F
<b>Appearance</b>	White foam	<b>Solubility</b>	Soluble in H <sub>2</sub> O
<b>Vapor Density</b>	Not Determined	<b>VOC %</b>	9.8%
<b>VOC Content (Fed)</b>	99 g/L	<b>% Solids</b>	5.41%
<b>Sara Title III, Sect. 313 Chemicals</b>	No	<b>Specific Gravity</b>	1.01
<b>Prop 65</b>	No	<b>pH</b>	11.1

## V. Directions

- Before applying, pre-test on a hidden section of surface to be cleaned for color fastness and surface integrity.
- Shake well and spray **HydroForce® Foaming Citrus All Purpose Cleaner** on surface to be cleaned.
- Allow foam to set for 10 to 30 seconds.
- Wipe or rinse clean with water or a lint-free cloth, sponge or paper towel.
- FOR HEAVY DUTY DEGREASING AND HEAVILY SOILED ITEMS: CRC recommends the use of HydroForce® Industrial Strength Cleaner/Degreaser or HydroForce® All Purpose Cleaner/Degreaser.

## VI. Package Description

Part Number	Container Size
14400	20 oz Aerosol

## VII. Disposal

Disposal requirements vary by state and local jurisdiction. All used and unused product should be disposed of in conformance with local, state and federal regulations. DO NOT dump in sewers, floor drains, on the ground or into any body of water.

## VIII. Special Use Warnings

### General

Use only in well ventilated area. Ventilation may be improved by opening a window or door or providing mechanical assistance. Avoid continuous breathing of vapor and spray mist. Avoid contact with skin and eyes. If ventilation is not adequate, respiratory protection should be worn. For more information regarding short-term and long-term exposure, review the Material Safety Data Sheet for this product.
