

I. Product Description

Super Soy™ Degreaser is a unique, non-flammable, biodegradable, heavy duty cleaner/degreaser that is extremely effective for dissolving and removing grease, oil, lubricants, adhesives and tar. **Super Soy™ Degreaser is formulated with a soy methyl ester and ethyl lactate, which are renewable resources that conserve non-renewable resources such as petroleum.**

II. Applications & Dilution Ratios

Recommended for the effective removal of grease, oil, sludge, adhesives and tar from air tools, mechanical brakes, clutches, chains, wire rope, motors, dies, molds, parts, bearings, generators and compressors. Removes ink and can be used to clean rollers and presses.

III. Features & Benefits

- **Industrial Strength.** Soy blended cleaner that matches the performance of traditional solvents.
- **Non-Flammable .**
- **Biodegradable. Made from a renewable resource.**
- **Low Odor**
- **No Class I or II Ozone Depleting Chemicals.** Offers exceptional cleaning alternative to chlorinated products while complying with EPA regulations on the use of CFCs.
- **M.S.D.[L.]™ - Material Safety Data Label.** Provides instant access to current safety information should an accident or OSHA inspections occur. Helps comply with **OSHA Hazard Communications Standard 29 CFR 1910.1200**
-

IV. Physical Properties

Flash Point	232°F	Boiling Point	327°F
Odor	Mild odor	Freezing Point	Not determined
Appearance	Light yellow, clear	Solubility	Emulsifies
Vapor Density	>1 (air = 1)	% Volatile	8.4%
VOC Content (Fed)	75.1 g/L	Specific Gravity	0.8944
Sara Title III, Sect. 313 Chemicals	No	Evaporation Rate	<1 (ether = 1)
Prop 65	No	pH	NA

V. Specifications and Approvals

- NSF Registration #141172, Category Code K1 for use in meat and poultry plants.

VI. Directions

- Read entire label before using this product.
- For personal safety, do apply while equipment is energized.
- Before applying, pre-test on a hidden section of surface to be cleaned for color fastness and surface integrity.
- Shake well and spray on surface to be cleaned. Allow product to set for 10 to 30 seconds.
- Wipe or rinse clean with potable water or a lint-free cloth, sponge or paper towel.
- Heavy soils may require repeat applications.

VIII. Package Description

Part Number	Container Size
03135	20 oz Aerosol

IX. Disposal

Disposal requirements vary by state and local jurisdiction. All used and unused product should be disposed of in conformance with local, state and federal regulations. DO NOT dump in sewers, floor drains, on the ground or into any body of water.

X. Special Use Warnings

General

Use only in well-ventilated area. Ventilation may be improved by opening a window or door or providing mechanical assistance. Avoid continuous breathing of vapor and spray mist. Avoid contact with skin and eyes. If ventilation is not adequate, respiratory protection should be worn. For more information regarding short-term and long-term exposure, review the Material Safety Data Sheet for this product.

Aerosol Cans

Do not puncture, incinerate or store above 120° F. Exposure to high temperatures may cause can to burst. Do not place in direct sunlight or near any heat source. Aerosol cans will conduct electricity. Keep away from all live electrical sources including battery terminals, solenoids, electrical panels and other electronic components. Failure to observe this warning may result in serious injury from flash fire and/or electrical shock.
