

I. Product Description

Green Force® Multi-Purpose Cleaner is formulated to meet strict environmental requirements without sacrificing performance. **Green Force® Multi-Purpose Cleaner** is a safe and versatile product for all of your cleaning needs. It effectively cuts greasy films and soils, leaving surfaces sparkling clean. **Green Force® Multi-Purpose Cleaner** can be used in a spray bottle, with a mop and bucket, as well as in auto scrubber and pressure washer applications. The low odor feature of this product makes it pleasant to use.

II. Applications & Dilution Ratios

Green Force® Multi-Purpose Cleaner should be used in any facility where an environmentally preferred product is desired for cleaning parts, machinery, floors, walls, countertops, cabinets, painted surfaces and any other hard surface not harmed by water.

Soil Being Cleaned	Dilution Ratios GREEN FORCE : Water
Light Soil	1 oz. per gallon
Medium Soil	3 oz. per gallon
Heavy Soil	13 oz. per gallon

III. Features & Benefits

- **Environmentally preferred product.** U.S. EPA Design for Environment (DfE) recognized.
- **Biodegradable**
- **Low VOC Content.** Reduces contributions to ground smog by volatile organic compounds.
- **Multi-Purpose.** Can be used in many applications around the facility.
- **Concentrated Formula.** Economical to use.
- **Pleasant odor.** Effective cleaner without harsh odor.
- **Non-Flammable.** Aqueous formulation reduces risk of fire (see MSDS for details).

IV. Physical Properties

Flash Point	None	Boiling Point	212°F
Odor	Bland	Freezing Point	32°F
Appearance	Green liquid	Solubility	Soluble in H ₂ O
Vapor Density	Not Determined	% Solids	Not Determined
VOC Content (Fed)	61.2 g/L	VOC % (before dilution)	6%
Sara Title III, Sect. 313 Chemicals	None	Specific Gravity	1.02
Prop 65	No	pH	10-11

V. Specifications and Approvals

- Recognized by the U.S. Environmental Protection Agency Design for the Environment (DfE) Formulator Initiative.

VI. Directions

- This product is formulated to work effectively with cold water. Cold water is recommended to help save energy used to heat water.
- Dispense or dilute this product according to the dilution chart.
- Apply solution to the surface to be cleaned.
- Allow the product time to penetrate and disperse the soil and contaminant.
- Scrubbing with a sponge, cloth pad or brush may speed up the cleaning action.
- Once soils are loosened, simply wipe or wash away with cloth or water.

VII. Package Description

Part Number	Container Size
14450	1 Gallon Bottle
14451	5 Gallon Pail
14452	55 Gallon Drum

VIII. Disposal

Disposal requirements vary by state and local jurisdiction. All used and unused product should be disposed of in conformance with local, state and federal regulations.

IX. Special Use Warnings

General

Use only in well ventilated area. Ventilation may be improved by opening a window or door or providing mechanical assistance. Avoid continuous breathing of vapor and spray mist. Avoid contact with skin and eyes. For more information regarding short-term and long-term exposure, review the Material Safety Data Sheet for this product.
