

I. Product Description

CRC Graffiti Remover is a solvent-based, high strength cleaner that removes vandal marks from different types of surfaces. It quickly dissolves and aids in the removal of paints, pen marks, crayon, ink, lipstick, scuff marks, lacquers, and varnishes. **CRC Graffiti Remover** contains no methylene chloride.

II. Applications

Brick and concrete walls, road signs, trucks, trains, buses, bus stops, seats, desks, lockers, counters, light posts, bathroom partitions, etc.

III. Features & Benefits

- **Excellent graffiti & vandal mark remover.** Aggressive cleaner works efficiently.
- **Gelled formula.** Great for use on vertical surfaces as it clings and allows for longer dwell time.
- **Easily removes multi-layered or painted over graffiti.**
- **Protects equipment surfaces.** Reduces the need for excessive scraping.
- **Contains No Methylene Chloride.**
- **M.S.D.[L.]™-Material Safety Data Label.** Provides instant access to current safety information should an accident or OSHA inspection occur. Helps comply with **OSHA Hazard Communications Standard 29 CFR 1910.1200.**

IV. Physical Properties without propellant

Flash Point	56°F (Seta)	Solubility	Neg. in water
Odor	Solvent odor	Specific Gravity	0.7419
Appearance	Viscous, light gray liquid	Propellant	Hydrocarbon
Vapor Density	>air	VOC Content (Fed)	352.4 g/L
Sara Title III, Sect. 313 Chemicals	Yes	VOC %	47.5
Prop 65	Yes		

V. Specifications and Approvals

- NSF C3 Registered for use in meat and poultry plants.

VI. Performance Characteristics

ASTM D-1130 (KB Value)	136
------------------------	-----

VII. Directions

- Do not use on energized equipment.
- Wear eye protection and rubber gloves or other non-porous hand protection.
- Spray liberal coating on marked, stained or painted surface.
- Let stand, and then wipe off.
- For difficult marks, spray again and use a stiff bristled brush to agitate the area.

VIII. Package Description

Part Number	Container Size
03194	16 oz Aerosol

IX. Disposal

Disposal requirements vary by state and local jurisdiction. All used and unused product should be disposed of in conformance with local, state and federal regulations.

X. Special Use Warnings

Aerosol Cans

Do not puncture, incinerate or store above 120°F. Exposure to high temperatures may cause can to burst. Do not place in direct sunlight or near any heat source. Aerosol cans will conduct electricity. Keep away from all live electrical sources including battery terminals, solenoids, electrical panels and other electronic components. Failure to observe this warning may result in serious injury from flash fire and/or electrical shock.

General

Use only in well ventilated area. Ventilation may be improved by opening a window or door or providing mechanical assistance. Avoid continuous breathing of vapor and spray mist. Avoid contact with skin and eyes. If ventilation is not adequate, respiratory protection should be worn. For more information regarding short term and long term exposure, review this product's Material Safety Data Sheet.
