

I. Product Description

CRC® Glass Wipes combine a streak-free formula with a lint-free wipe to create a one-step application that's even easier to use. Ammonia-free formula eliminates messy overspray and is safe to use on glass surfaces. Easily removes smoke film, fingerprints, smudges, dirt and more without leaving streaks or residue. The professional strength wipe withstands the demands of institutional, janitorial, automotive, and industrial applications.

II. Applications

Works great on glass & mirrors, computer screens, copy machine glass, glass display cases, automobile and truck windows, dashboard glass & gauges.

III. Features & Benefits

- Quick & Easy to Use
