

I. Product Description

CRC® Graffiti & Paint Remover Towels are a unique one step cleaning system combining both a high-quality graffiti remover formula and a highly absorbent, non-scratching towel. The formulation will penetrate, loosen, break down and dissolve spray paint and graffiti, allowing the towel to absorb and hold residue without re-depositing dissolved contaminants back onto surface being cleaned.

II. Applications

Aluminum siding, glass, painted surfaces, signage, stainless steel, phone booths, tabletops, lockers, vehicles, hallways, elevators, vinyl upholstery, buses, subways, and trains

III. Features & Benefits

- Powerful formula removes marks from smooth surfaces with a controlled application
- Quick & Easy to Use
- Textured towel works to loosen paint without scratching surfaces
- Towel traps paint so graffiti will not redeposit onto surfaces while cleaning
- One Step Process
- No Overspray

IV. Physical Properties without propellant

Flash Point	62°F	Boiling Point	212°F
Odor	Plumeria	Freezing Point	Not Determined
Appearance	Colorless	Solubility	Miscible
Vapor Density	>1 (air =1)	VOC Content (Fed)	295.8 g/L
Vapor Pressure	Not Determined	VOC %	30%
Prop 65	Yes	Specific Gravity	0.986
		pH	6.3

V. Specifications and Approvals

None

VI. Directions

- Always wear gloves when using this product.
- Pull towel from container and open to full size.
- Pre-wet marked area with towel, leaving the remover formulation on marks.
- After marked area has been initially wetted, begin removing marks in a circular wiping motion.
- If heavy build-up exists, reapply and continue wiping until marks are removed. May not be as effective on marks that have been on surface for an extended period of time.
- Dispose of used towels properly.

Notice: To remove graffiti from a painted surface, try product in a small, inconspicuous area to make sure paint is not removed along with graffiti. This product may soften or craze certain plastics.

VI. Package Description

Part Number	Container Size
04104	30 Towel Container

VII. Disposal

Disposal requirements vary by state and local jurisdiction. All used and unused product should be disposed of in conformance with local, state and federal regulations.

VIII. Special Use Warnings

General

Use only in well ventilated area. Ventilation may be improved by opening a window or door or providing mechanical assistance. Avoid contact with skin and eyes. If ventilation is not adequate, respiratory protection should be worn. Do not use near sources of ignition. For more information regarding short term and long term exposure, review this product's Material Safety Data Sheet.
