

## ***I. Product Description***

**CRC Fire Ant Killer Granules** is a highly effective insecticide that kills the queen within 24 hours and provides long lasting control of fire ants and other insects in and around telecom and utility equipment. CRC Fire Ant Granules is fast acting and prevents new fire ant mounds from forming.

## ***II. Applications***

For use in and around buried cables, cable television pedestals, cables, pad-mounted electric power transformers, telephone cables, underground vaults, telecommunications equipment (boxes, closures, interfaces, pedestals, protectors, and terminals), power and utilities equipment (camera housings, control panels, emergency light systems, fire alarm systems and lights/alarms), railroad systems equipment (breaker boxes, railroad signals, traffic control boxes and signals and transformer pads).

## ***III. Features & Benefits***

- **Ready to use.**
- **Fast acting.** Ideal for controlling fire ants.
- **4 oz. single use pouch** treats up to 12" x 12" area.
- **Non-corrosive, non-conductive.** Safe for equipment and personnel.

## ***IV. Physical Properties without propellant***

Flash Point	None	Sara Title III, Sect. 313 Chemicals	Yes
Odor	Slightly musty	VOC Content (Fed)	0 g/L
Appearance	Tan, solid granule	Prop 65	None
Density	85-90 lbs./cu ft.		

## ***V. Specifications and Approvals***

- EPA Reg. No. 55809-5
- **This product is registered for sale in the following states: AL, AR, AZ, CA, FL, GA, KY, LA, MS, NC, NM, OK, SC, TN, TX, and VA. Sale in any other state or outside of the United States is prohibited.**

## ***VI. Directions***

- Do not open contents until ready for use.
- Use in interior and exterior areas at points of entry.
- Open plastic bag and pour entire contents (4 oz.) directly into and around equipment, buried closure or hole.
- Lock equipment or closure or set pole immediately to prevent access. One bag will treat up to 12" x 12" (1 sq. ft.).

## VII. Package Description

Part Number	Container Size
14039	4 oz. packet

## VIII. Disposal

Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Container Handling: Non-refillable container. Do not re-use or refill this container. If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions.

## IX. Special Use Warnings

### General

Use only in well ventilated area. Ventilation may be improved by opening a window or door or providing mechanical assistance. Avoid continuous breathing of vapor and spray mist. Avoid contact with skin and eyes. If ventilation is not adequate, respiratory protection should be worn. For more information regarding short term and long term exposure, review this product's Material Safety Data Sheet.
