

Introducing **Super Degreaser PLUS**

134a is going away in general purpose degreasers*

The EPA has determined that HFC-134a is now unacceptable in certain types of products due to its global warming potential. In order to be compliant, CRC has reformulated our popular Super Degreaser part #03110.

Introducing new Super Degreaser **PLUS** part #03109

- More usable solvent per can
- Non-chlorinated, non-corrosive and non-staining
- No flash point
- High cleaning strength
- Dries fast, leaves no residue

Recommended for use on air tools, mechanical brakes, clutches, chains, wire ropes, motors, dies, molds, parts, bearings, generators & compressors.

CRC Part #	Container Size	Units per Case	Propellant	KB Value
03109	20 oz aerosol	12	Carbon Dioxide	100

*The EPA ruled the use of 134a is still acceptable in 16 categories including electrical equipment, aircraft maintenance, mold release agents and duster sprays used on energized electrical equipment.
