

Oilfield Dry Moly Lube

Oilfield Dry Moly Lube provides a long lasting surface lubricant for drill pipe lubrication in the oil and gas industry. It is fast drying and resists dirt and dust build-up.

Ideal in high temperature and high pressure applications.

- ▶ **Lowers friction and prevents galling**
- ▶ **Reduces torque and energy consumption**
- ▶ **High anti-friction and anti-seize properties**
- ▶ **Good adhesion**
- ▶ **Non-conductive**

Recommended for use on gaskets, transfer belts, conveyors belts, motors, plant machinery and handling equipment, rubber moldings, high temperature, low load or high rpm slides, rollers, wheels, gears, chains & hoists.

CRC Part #	Container Size	Units per Case	Base Type	Film Type
