CRC HYDROFORCE® SURFACE SANITIZER

I. Product Description

HydroForce® Surface Sanitizer is a quaternary based no mix, ready-to-use product. This product is designed for use in food processing plants, manufacturing facilities, dairies, meat & poultry processing plants, food service establishments, and public eating establishments where sanitation of food contact surfaces is of prime importance. When used as directed, HydroForce® Surface Sanitizer will sanitize previously cleaned and rinsed non-porous food contact surfaces in 60 seconds.

II. Applications

HydroForce® Surface Sanitizer is recommended for the sanitation of hard, non-porous food contact surfaces and non-food contact surfaces in food processing plants, dairies, institutional kitchens, food service establishments, public eating establishments, egg processing plants, meat/poultry processing plants and meat/poultry producing establishments.

III. Features & Benefits

- Cleaner, Sanitizer and Deodorizer, formulated for industrial and institutional use.
- Kills 99.999% of bacteria in 60 seconds.
- Ready-To-Use. No preparation / down-time required.
- No Mixing required. Unlike concentrated products, there is no need to mix fresh solution daily.
- Eliminates odors caused by bacteria.
- EPA and NSF D2 registered
- Just spray and walk away. No rinse formula.

CRC HYDROFORCE® SURFACE SANITIZER

“Convenient, ready-to-use sanitizer to meet any food safety guidelines.”
