

# Brilliant<sup>®</sup> Metal Polish

**READY-TO-USE FORMULA**

## Lustre para metales

An extremely versatile metal polish that cleans, polishes, restores and protects more than 11 different types of metal for a long-lasting shine. **BRILLIANT Metal Polish** contains no harsh abrasives and even removes oxidation from fiberglass without damaging the gel coat.

Over time, metal products become dull, worn and tired looking. BRILLIANT Metal Polish is a fast and easy, wipe on—wipe off solution for quick cleaning and polishing of all metals and gives even the most tarnished, dulled metals a “like-new” shine.

Unlike many polishes, BRILLIANT Metal Polish has no harsh abrasives and does not leave a powdery residue!

### For use on:

- Copper
- Pewter
- Aluminum
- Brass
- Platinum
