

STA-PLEX™ Extreme Pressure Premium Red Grease

Infused with extreme pressure, anti-wear and anti-oxidation additives. Excellent for lubricating and protecting equipment from harsh elements, friction and corrosion. Withstands heavy loads for extended periods of time and resists throw-off.

- **Heavy Duty Formula.** NLGI Grade 2, aluminum complex grease extends operating service life of equipment.
- **Withstands High Temperature and Pressure.** Will not break down, harden or separate. Waterproof.
- **Penetrates to Form a Thick Film.** Penetrates deep then quickly thickens to form a long-lasting grease.
- **Excellent as a break-in lubricant** for bearings.

Use On:

- ▲ Roller Bearings & Chains
- ▲ Fifth Wheels
- ▲ Hitches, Hinges & Latches
- ▲ Cables & Pulleys
- ▲ Overhead Door Tracks
- ▲ Guide Rails
- ▲ Cams & Pistons
- ▲ Heavy Equipment

Reduces friction and vibration, while preventing corrosion!

Ideal for many automotive, heavy duty, marine, agricultural and industrial applications. Reduces wear, galling and scarring. Red color and smooth texture provide easy visual inspection of film coverage.

Part No.	Package Type	Net Wt.	Units/Case
