T-Force® Next Generation Degreaser

DIRECTIONS: Read entire label before using this product.

1. For personal safety, do not apply while equipment is energized.
2. Remove mechanical plates, covers, etc. to expose equipment interior. For best results, remove heavy deposits of contaminants by scraping with a knife or wire brush.
3. Spray until clean. Use extension tube for hard to reach areas.
4. Allow equipment to fully dry and vent before using.
5. Drying time can be accelerated by using a dry, absorbent cloth or CRC Duster™.
6. Do not use on modern plastics such as LEXAN®, ABS and Noryl®. If uncertain, check with the manufacturer or test on a small area before using.
7. Not for use on sensitive electronics. Use a CRC precision cleaner.
