Dear Mr. Katz:

~~This is in reply to your request for compound authorization received on December 05, 1994 for your product CRC Industrial Hvy Dty Dgrsr II (Bulk).~~

This product is chemically acceptable as a solvent cleaner for use in nonprocessing areas of official establishments operating under the Federal meat and poultry products inspection program. After using the product, equipment and utensils must be thoroughly washed with an acceptable detergent solution and rinsed with potable water to remove all traces of the cleaner before being returned to a processing area.

The final granting of authorization for the proposed use of such compounds is the responsibility of the inspector in charge of the official plant. Technical assistance will be provided by the Compounds and Packaging Branch upon request.

Acceptance of compounds by this Department is in no way to be construed as an endorsement of the compounds or of any claims made for them.

If any change is made in the labeling information or formulation, the authorization for use in official plants becomes void immediately.

Sincerely,

John M. Damaré, Chief
Compounds and Packaging Branch
