CRC® KNOCK'ER LOOSE®

KNOCK'ER LOOSE® loosens rusted and corroded nuts, bolts, couplings, fittings, hinges and frozen components. Specially formulated to dissolve rust, varnishes, gums, and corrosion. VOC Compliant Formula. Lubricating residue prevents corrosion and displaces water.

DIRECTIONS: Read entire label before using this product.

1. Do not apply while equipment is energized. 2. Apply liberally on corroded fasteners. 3. Allow oil to seep between joints and surface area. 4. Tap joints lightly to aid process. 5. Loosen or remove fastener. 6. If necessary, repeat steps 2-4 until fastener breaks free. 7. Severely frozen or welded fasteners may require the help of a power tool or nut cracker to loosen.

Danger

Combustible liquid. May be fatal if swallowed and enters airways. Causes skin irritation. May cause an allergic skin reaction. Causes serious eye irritation.

Precautionary Statements

Keep away from flames and hot surfaces-No smoking. Use with adequate ventilation. Open doors and windows or use other means to ensure a fresh air supply during use and while product is drying. If you experience any symptoms listed on this label, increase ventilation or leave the area. Avoid breathing gas, mist or vapor. Contaminated work clothing must not be allowed out of the workplace. Wear protective gloves/eye protection/face protection. Wash thoroughly after handling. Store in a well-ventilated place. Keep cool. Do not store container above 100 °F/38 °C. Store locked up. Dispose of contents/container in accordance with local/regional/national regulations. In case of fire: Do not use water jet as an extinguisher, as this will spread the fire.

First Aid

If swallowed: Immediately call a poison center/doctor. Do NOT induce vomiting. If on skin: Wash with plenty of water. If skin irritation or rash occurs: Get medical attention. Take off contaminated clothing and wash before reuse. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention.

Contains petroleum distillates/naphtha (64742-46-7, 64742-47-8, 64742-48-9), dipropylene glycol monomethyl ether acetate (88917-22-0), turpentine oil (8006-64-2), 2,6-dimethyl-4-heptanone (108-83-8), pine oil (8002-09-3), and pinus sylvestris extract (94266-48-5). This product contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm. Deliberate misuse by concentrating and inhaling the contents is illegal and can be harmful or fatal. Inhalation abuse can cause death. For additional information, consult SDS for this product.
