### DIRECTIONS: Read entire label before using this product.

1. Do not apply while equipment is energized. 2. Apply liberal coating to corroded surfaces, saturating problem areas. 3. Allow oil to seep between joints and surface area. 4. Tap joint lightly to aid penetration. 5. Proceed with disassembly. 6. Repeat application for stubborn spots.

**Danger:** Combustible liquid. May be fatal if swallowed and enters airways. Causes skin irritation. May cause an allergic skin reaction. Causes serious eye irritation. May cause respiratory irritation. May cause damage to organs through prolonged or repeated exposure.

**Precautionary statements:** Keep away from heat/sparks/open flames/hot surfaces. - No smoking. Use with adequate ventilation. Open doors and windows or use other means to ensure a fresh air supply during use and while product is drying. If you experience any symptoms listed on this label, increase ventilation or leave the area. Do not breathe the mist or vapor. Wear protective gloves/protective clothing/eye protection/face protection. Contaminated work clothing must not be allowed out of the workplace. Wash hands thoroughly after handling. Store in a well-ventilated place. Keep container tightly closed. Keep cool. Store locked up. Dispose of contents/container in accordance with local/regional/national regulations.

**First Aid:** If swallowed: Immediately call a poison center/doctor. Do NOT induce vomiting. If on skin: Wash with plenty of water. If skin irritation or rash occurs: Get medical attention. Take off contaminated clothing and wash before reuse. If inhaled: Remove person to fresh air and keep comfortable for breathing. Call a poison center/doctor if you feel unwell. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. If exposed or concerned: Get medical attention. In case of fire: Do not use water jet as an extinguisher, as this will spread the fire.

Contains Hydrotreated middle distillates (64742-46-7), Dipropylene glycol monomethyl ether acetate (88917-22-0), Dipropylene glycol monopropyl ether (29911-27-1), Turpentine Oil (8006-64-2), 2,6-Dimethyl-4-heptanone (108-83-8), Fatty ester (Proprietary), Stoddard Solvent (8052-41-3) and Pinus sylvestris extract (94266-48-5). Deliberate misuse by concentrating and inhaling the contents is illegal and can be harmful or fatal. Inhalation abuse can cause death. For additional information, consult SDS for this product.
