# CRC® QD® Contact Cleaner

- QUICK DRYING. HIGH PURITY FORMULA evaporates rapidly and leaves no residue.
- SAFE FOR USE on most plastics.
- INCREASES PERFORMANCE, prolongs equipment life and prevents electrical failures by dissolving light oils, flux, dirt and fingerprints on contacts, relays, switches, circuits and PC boards.

## **DIRECTIONS:** Read entire label before using this product.

1. For personal safety, do not apply while equipment is energized.
2. Shut off power supply. Be sure all stored power is drained from system and allow hot surfaces to cool before using product.
3. For optimum results, prepare heavily soiled or corroded surfaces by buffing with a mild abrasive.
4. Apply cleaner by cloth or spray applicator on surfaces to be cleaned.
5. Allow excess cleaner to run off.
6. Allow product to dry completely and thoroughly vent system before restoring power.

**Danger:** Highly flammable liquid and vapor. May be fatal if swallowed and enters airways. Suspected of damaging fertility. May cause damage to organs through prolonged or repeated exposure (central nervous system, skin, eyes, upper respiratory tract).

**Precautionary Statements:** Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Keep away from heat/sparks/open flames/hot surfaces. - No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Use only with adequate ventilation; maintain ventilation during use and until all vapors are gone. Open doors and windows or use other means to ensure a fresh air supply during use and while product is drying. If you experience any symptoms listed on this label, increase ventilation or leave the area. Do not breathe mist or vapor. When exposed to extreme heat or hot surfaces, vapors may decompose to harmful or fatal corrosive gases such as hydrogen fluoride and fluorophosgene. Wear protective gloves/protective clothing/eye protection/face protection. Store in a well-ventilated place. Keep cool. Store locked up. Dispose of contents/container in accordance with local/regional/national regulations.

**First Aid:** If swallowed: Immediately call a poison center/doctor. Do NOT induce vomiting. If on skin (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. If exposed or concerned: Get medical attention.

Contains Hydrotreated light naphtha (64742-49-0), 1,1,1,3,3-Pentafluorobutane (406-58-6), n-Hexane (110-54-3), 2,2,4-Trimethylpentane (540-84-1) and Methanol (67-56-1). Deliberate misuse by concentrating and inhaling the contents is illegal and can be harmful or fatal. Inhalation abuse can cause death. For additional information, consult SDS for this product. Do not store container over 100 °F.

**Not for use in California.**
