

Industrial
Chlor-Free®
Degreaser

Non-Chlorinated Degreaser

Fast Evaporation
Leaves No Residue
Removes Grease and Oil

Part No. 03186
Net Contents: 1 gal. (3.78L)

DANGER: EXTREMELY FLAMMABLE
HARMFUL OR FATAL IF SWALLOWED

Read warnings on back panel.

Chlor-Free® Degreaser

- **NON-CHLORINATED.** Contains no 1,1,1-Trichloroethane, Perchloroethylene or other chlorinated solvents.
- **EVAPORATES RAPIDLY** without residue.
- **HELPS IMPROVE EQUIPMENT PERFORMANCE** by removing grease, oil, wax, dirt, carbon and other contaminants from parts and machinery.
- **CHEMICALLY STABLE,** non-conductive and non-corrosive.
- **NSF Registration # 017205,** Category Code K2 for use in meat and poultry plants.

HMIS: Health: 2 Flammability: 3 Reactivity: 0 PPE: B

WARNING: Contains Methanol 67-56-1, n-Hexane 110-54-3, Hexane Isomers (various), Cyclohexane 110-82-7 and Ethanol 64-17-5. Product is extremely flammable. Keep away from flames and other ignition sources. Overexposure to vapors can cause eye and skin irritation, headaches, nausea, dizziness, irritation to upper respiratory tract and irregular heartbeats. High concentrations have caused liver and kidney effects on laboratory animals. Use with adequate ventilation. Open doors and windows or use other means to ensure a fresh air supply during use and while product is drying. If you experience any symptoms listed on this label, increase ventilation or leave the area. Avoid continuous breathing of vapor and spray mist. Avoid contact with skin and eyes. Vapors are heavier than air and can collect in low areas. If ventilation is not adequate, respiratory protection should be used.

KEEP AWAY FROM CHILDREN

FIRST AID: In case of eye or skin contact, flush with water for 15 minutes. If swallowed, do not induce vomiting. If too much is breathed, remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give oxygen. For severe overexposure, call a physician immediately.

HANDLING AND SPILL PRECAUTIONS: Keep container closed. Wash thoroughly after handling. Do not enter where vapors are suspected in high concentrations unless air-supplied positive pressure breathing apparatus is used and a trained observer is present and equipped with rescue gear. In addition, vapors of this solvent may develop a flammable atmosphere in contact with flames, high energy sparks or high intensity sources of heat. Do not cut or weld containers due to explosion hazard. **FOR SPILLS,** use proper protective

Directions: Read entire label before using this product.

1. May be harmful to some plastics. Test on a small area before using. Do not use on sensitive electronic equipment, such as tape decks, VCRs, computers, ect. Use a CRC Precision Cleaner.
2. Shut-off or disconnect power supply and be sure all stored energy has been drained from the system.
3. For heavily soiled or corroded surfaces, brush with a mild abrasive before using Chlor-Free®.
4. Wipe or spray until clean and allow cleaner to run off surface.
5. Air dry or wipe with a dry, absorbent cloth.
6. Allow electrical equipment to dry thoroughly and vent before re-energizing system.
7. For personal safety, do not apply while equipment is energized.

equipment. Take precautions as necessary to prevent contamination of surface or ground waters. **FOR SMALL SPILLS,** use absorbent and sweep into closed containers for disposal.

DISPOSAL: Unused contents and containers must be disposed of in accordance with all federal, state, and local regulations. **EMPTY** containers may be offered to a qualified reconditioner. Unused contents may be offered to a licensed reclaimer. **DO NOT DUMP IN SEWERS, ON THE GROUND OR INTO ANY BODY OF WATER.**
