Not for Household Use

Nonfood Compounds
Program Listed
Category Code: H2
Reg.# 139430

CRC Chute Lube®

- Specially formulated to help packages glide over chutes and dead plates
- Lubricates without attracting dirt or other harmful contaminants
- Even works well in wet conditions
- Clear, non-staining, odorless film

DIRECTIONS: *Read entire label before using this product.*

1. Do not apply while equipment is energized.
2. Spray in light, even coats to chutes, deadplates, and rails requiring lubrication or moisture protection.
3. Repeat step 1 until adequate lubrication or protection is achieved. Use only the necessary amount to achieve results.
4. Re-apply as needed to maintain performance.

Danger

Flammable liquid and vapor. May be fatal if swallowed and enters airways. Causes eye irritation.

Precautionary Statements: Keep away from heat/sparks/open flames/hot surfaces. - No smoking. Keep container tightly closed.

Use with adequate ventilation. Open doors and windows or use other means to ensure a fresh air supply during use and while product is drying. Use explosion-proof electrical/ventilating/lighting equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Wear protective gloves/eye protection/face protection. Wash thoroughly after handling. Store in a well-ventilated place. Keep cool. Store locked up. Dispose of contents/container in accordance with local/regional/national regulations. Avoid release to the environment.

First Aid: If swallowed: Immediately call a poison center/doctor. Do NOT induce vomiting. If on skin (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. In case of fire: Use appropriate media to extinguish.

Contains Hydrotreated heavy naphtha (64742-48-9), Dimethylpolysiloxane (63148-62-9) and Hydrotreated light distillates (64742-47-8). Deliberate misuse by concentrating and inhaling the contents is illegal and can be harmful or fatal. Inhalation abuse can cause death. For additional information, consult SDS for this product.
