

Part 3244 Rev 03A

WARNING: Contains Petroleum Distillate 64742-47-8, Petroleum Distillate 64742-54-7, Butyl Stearate 123-95-5, Fatty Acid Ester 1338-43-8 and Carbon Dioxide 124-38-9. Do not puncture, incinerate or store can above 120°F. Exposure to high temperature may cause can to burst. Do not place in direct sunlight or near any heat source. Product is flammable and should be kept from flames and other ignition sources. Use only in a well ventilated area. Avoid continuous breathing of vapor and spray mist. Avoid contact with skin and eyes. Overexposure to vapor may cause irritation to the eyes and respiratory tract, headaches, dizziness, anesthesia, drowsiness, unconsciousness, and other central nervous system effects. Deliberate misuse by concentrating and inhaling the contents can be harmful or fatal. Vapors are heavier than air and can collect in low areas. **FIRST AID:** In case of eye and skin contact, flush with water for 15 minutes. If swallowed, may be harmful or fatal. Do not induce vomiting. If too much is breathed, remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give oxygen. For severe overexposure, call a physician immediately.

KEEP AWAY FROM CHILDREN

1 Review Emergency M.S.D.S.: Tear (DO NOT CUT) label along these two perforations and fold back label. Do not remove label until can is empty.

- PROVIDES a thin, non-drying protective film that protects indoors up to 9 months.
- LUBRICATES and PROTECTS moving parts and metal surfaces.
- CLEANS light soils and contaminants from non-plastic surfaces.
- DISPLACES MOISTURE from wet or flooded equipment.
- PREVENTS the return of moisture and corrosion by leaving a thin, protective film.
- Meets 1998 USDA guidelines for use in federally inspected meat and poultry plants.
- MATERIAL SAFETY DATA SHEET printed on back of label for your convenience and safety. (The CRC® MSD[L]™ is a proprietary label removal system patented under U.S. Patent No. 5,056,827).

ELECTRICAL SHOCK HAZARD: This can will conduct electricity. Keep away from all live electrical sources including Battery Terminals, Solenoids, Electrical Panels and other electronic components. Failure to observe this warning may result in serious injury from flash fire and/or electrical shock.
