# CRC Industrial Adhesive Remover

**DIRECTIONS:** *Read entire label before using this product.*

1. Spray CRC Industrial Adhesive Remover on labeled surfaces or surface being cleaned.
2. Wait a few minutes to allow for maximum penetration and loosening action.
3. Use a scraper or wipe with a clean, damp rag.
4. Repeat process and wipe with clean cloth, let air dry.
5. Score surface with blade and repeat application when substance to be removed is too thick for maximum penetration.

## Danger

Combustible liquid. May be fatal if swallowed and enters airways. Causes skin irritation. Causes serious eye irritation. Harmful if inhaled. May cause drowsiness or dizziness.

## Precautionary Statements

Keep away from heat/sparks/open flames/hot surfaces. - No smoking. Use with adequate ventilation. Open doors and windows or use other means to ensure a fresh air supply during use and while product is drying. If you experience any symptoms listed on this label, increase ventilation or leave the area. Avoid breathing mist or vapor. Wash thoroughly after handling. Wear protective gloves/eye protection/face protection. Store in a well-ventilated place. Keep container tightly closed. Keep cool. Store locked up. Dispose of contents/container in accordance with local/regional/national regulations.

## First Aid

If swallowed: Immediately call a poison center/doctor. Do NOT induce vomiting. If on skin: Wash with plenty of water. If skin irritation occurs: Get medical attention. Take off contaminated clothing and wash before reuse. If inhaled: Remove person to fresh air and keep comfortable for breathing. Call a poison center/doctor if you feel unwell. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. In case of fire: Do not use water jet as an extinguisher, as this will spread the fire.

Contains Hydrotreated light distillates (64742-47-8), Dipropylene glycol monopropyl ether (29911-27-1) and Dipropylene glycol monomethyl ether acetate (88917-22-0).

10% of the mixture consists of component(s) of unknown acute inhalation toxicity.

Deliberate misuse by concentrating and inhaling the contents is illegal and can be harmful or fatal. Inhalation abuse can cause death. For additional information, consult SDS for this product.
