

ELECTRO CLEAN HD™ CLEANER/DEGREASER

- Advanced CO₂™ Technology
- Does not contain CFCs, HCFCs or Chlorinated Solvents
- High Purity formula evaporates quickly and leaves no residue
- Instantly removes grease, oil, dirt, fluxes and polar solids and other contaminants
- Chemically stable, non-conductive and non-corrosive with no flash point
- Helps prevent contact failure or malfunction by dissolving and rinsing away contaminants

Directions: Read entire label before using this product.

1. Do not use on modern plastics such as LEXAN®, ABS and Noryl. If uncertain, check with manufacturer or test on a small area before using.
2. Do not use on sensitive electronic equipment such as tape decks, VCRs, DVDs, computers, fax machines, copiers, printers, shredders, etc.
3. Spray until clean and allow to run off. Use extension tube for pinpoint cleaning.
4. Use an abrasive on surfaces with heavy carbon deposits or corrosion- remove residue with intermittent spray before recharging system.
5. Periodic planned maintenance prolongs life expectancy of components and helps eliminate deposits that cause leakage. Use resistance measurements to determine frequency of application.
6. For personal safety, do not apply while equipment is energized.

ELECTRICAL SHOCK HAZARD: This can will conduct electricity. Do not touch can to live electrical sources including battery terminals, solenoids, electrical panels and other electronic components. Failure to observe this warning may result in serious injury from electrical shock.

HMS: Health: 2 Flammability: 0 Reactivity: 0 PPE: 8

WARNING: Contains 1-Bromopropane 105-94-5, CO₂™ 202 (Proprietary mixture), 1,2 Butylene Oxide 106-98-7, 1-Butanol 75-65-0, and Acetonitrile 75-05-8, and Carbon Dioxide 124-38-6. Do not puncture, incinerate or store container above 120°F. Exposure to high temperature may cause bursting. Do not place in direct sunlight or near other heat sources. Harmful if inhaled. Deliberate misuse by concentrating and inhaling the contents may be harmful or fatal. This product has no flash or fire point at normal handling temperatures. In high concentrations, this product can be made to burn. Do not use on energized equipment or near flames or arcs. Do not use this product near open flames, welding operations or excessive heat. Fire may produce irritating or poisonous gas such as hydrogen bromide. Make sure equipment is thoroughly dry and vented before recharging. This product contains chemicals known to the State of California to cause birth defects and other reproductive harms. Use with adequate ventilation. Open doors and windows or use other means to ensure a fresh air supply during use and while product is drying. If you experience any symptoms listed on this label, increase ventilation or leave the area. Avoid continuous breathing of vapor and spray mist. Avoid contact with skin and eyes. Vapors are heavier than air and can collect in low areas, pits, small rooms and other unventilated areas. If ventilation is not adequate, respiratory protection should be used. **FAST AID:** In case of eye or skin contact, flush with water for 15 minutes. If swallowed, do not induce vomiting. If too much is breathed, remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give oxygen. For severe overexposure call a physician immediately. For additional information, consult the Material Safety Data Sheet for this product.

KEEP AWAY FROM CHILDREN

All used and unused product should be disposed of in conformance with local, state and federal regulations.
