

PRECISION CLEANER & LUBRICANT

- Removes grease, oil, dirt, dust and other contaminants.
- Protects electronic and electrical components against corrosion with a non-hardening film.
- Non-corrosive and non-staining.
- **WIDE TEMPERATURE RANGE** of -40°F to +400°F.
- This product may not be suitable for use on sensitive plastics. Test on small area before use.

Directions: Read entire label before using this product.

1. Spray/light even film on area to be protected.
2. Use an extension tube for hard to reach areas.
3. Allow to dry thoroughly and vent before reactivating.
4. Do not apply while equipment is energized.

All used and unused product should be disposed of in conformance with local, state and federal regulations.

ELECTRICAL SHOCK HAZARD: This can will conduct electricity. Keep away from all live electrical sources including battery terminals, solenoids, electrical panels and other electronic components. Failure to observe this warning may result in serious injury from flash fire and/or electrical shock.

PRECISION CLEANER & LUBRICANT

**Removes Grease, Dirt
and Oxidation**

**Protects Against
Corrosion**

No. 04040

Net Wt. 10 oz. (284 g)

**DANGER: EXTREMELY FLAMMABLE.
HARMFUL OR FATAL IF SWALLOWED
CONTENTS UNDER PRESSURE**

Read warnings on back panel.

WARNING: Contains: isohexane 107-83-5, n-Hexane 110-54-3, Dimethylpolysiloxane 63148-62-9, and Hydrocarbon propellant 68476-86-8. Do not puncture, incinerate or store can above 120°F. Do not place in direct sunlight or near any heat source. **Product is extremely flammable and should be kept from all flames and other ignition sources.** Use only in a well ventilated area. Avoid continuous breathing of vapor and spray mist. Avoid contact with skin and eyes. Overexposure to vapor may cause irritation to the eyes, respiratory tract, headaches, dizziness, drowsiness, anesthesia, unconsciousness, and other central nervous system effects. Deliberate misuse by concentrating and inhaling the contents may be harmful or fatal. Vapors are heavier than air and can collect in low areas. **FIRST AID:** In case of eye or skin contact, flush with water for 15 minutes. If swallowed, may be harmful or fatal. Do not induce vomiting. If too much is breathed remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give oxygen. For severe over-exposure call a physician immediately. For additional information consult the MSDS for this product.

KEEP AWAY FROM CHILDREN

SPECIAL USAGE WARNINGS:

- Contents extremely flammable
- Do not smoke while spraying.
- Extinguish all flames, pilot lights and heaters.
- Do not apply while equipment is energized.
- Vapors will accumulate readily and may ignite.
- Use only with adequate ventilation; maintain ventilation during use and until vapors are gone.
