

Hot Line Tool Cleaner & Protectant

**Specially formulated wipe to safely
clean fiberglass tool surfaces
and leave behind protective film.**

This non-linting wipe is formulated to clean dirty fiberglass tools in preparation for re-glossing operations. Hot Line Tool Cleaner will effectively remove dirt, tar, grease, sap, etc. without harming the tool or lineman gloves. Please use carefully around plastic parts and painted surfaces as this product may damage finishes.

Contains – 1 – 8" x 10.5" Premoistened Wipe

CAUTION: DO NOT USE ON plastic part marked "clean with soap and water only". This product may damage some paints and coatings. Always test on a small area first. If any discoloration occurs, do not use.

NOT FOR INDIVIDUAL SALE
