

# CRC Disc Brake Quiet

For complete product usage instructions and safety warnings in Spanish, go to [www.crcindustries.com](http://www.crcindustries.com). Para obtener las instrucciones completas de uso y advertencias de seguridad del producto en Español, visite [www.crcindustries.com](http://www.crcindustries.com).

**CRC Disc Brake Quiet** is specially formulated to dampen the vibrations that cause disc brake noise. It forms a water-resistant, high temperature film that will absorb noise and quiet disc brake squeal.

**DIRECTIONS:** *Read entire label before using this product.*

Remove brake pads and clean with Brakleen® Brake Parts Cleaner. Shake well and spray evenly onto the steel back of each outboard and inboard pad. Do not apply to lining, rotors, side of pad that contacts rotors, or any moving parts. Allow to set for 10 minutes and then reassemble brakes. May install while still tacky.

For maximum protection and performance, use CRC/Sta-Lube Synthetic Caliper Grease when removing calipers.

**WARNING:** Contains Acetone 67-64-1, Ethyl Acetate 141-78-6, n-Hexane 110-54-3, Butane 106-97-8 and Propane 74-98-6. Do not puncture, incinerate, or store can above 120°F. Exposure to high temperature may cause can to burst. Do not place in direct sunlight or near any heat source. Product is extremely flammable and should be kept from all flames and other ignition sources. This product contains chemicals known to the State of California to cause cancer, birth defects, and other reproductive harm. Use with adequate ventilation. Open doors and windows or use other means to ensure a fresh air supply during use. If you experience any symptoms listed on this label, increase ventilation or leave the area. Avoid continuous breathing of vapor and spray mist. Avoid contact with skin and eyes. Overexposure to vapor may cause irritation to eyes, respiratory tract, signs of central nervous system effects, nausea, and vomiting. Deliberate misuse by concentrating and inhaling the contents can be harmful or fatal. Vapors are heavier than air and can collect in low areas.

**FIRST AID:** In case of eye or skin contact, flush with water for 15 minutes. If swallowed, may be harmful or fatal. DO NOT induce vomiting. If too much is breathed, remove to fresh air. For severe overexposure, call a physician immediately. For additional information consult the Material Safety Data Sheet for this product.

**DISPOSAL:** All used and unused product should be disposed of in accordance with federal, state and local regulations.

**KEEP AWAY FROM CHILDREN**

**SPECIAL USAGE WARNINGS:** Contents Extremely Flammable. • Do not smoke while spraying. • Extinguish all flames, pilot lights, and heaters. • Vapors will accumulate readily in confined spaces such as garages, engine compartments and low lying areas. • Static electricity may ignite vapors. • Use only with adequate ventilation. • Circulate fresh air during use and until vapors are gone.

**ELECTRICAL SHOCK HAZARD:** This can will conduct electricity. Keep away from all live electrical sources including battery terminals, solenoids, electrical panels and other electronic components. DO NOT use with ignition in "ON" position. Failure to observe this warning may result in serious injury from flash fire and/or electrical shock.
