CRC Brakleen® Non-Chlorinated

For complete product usage instructions and safety warnings in Spanish, go to www.crcindustries.com. Para obtener las instrucciones completas de uso y advertencias de seguridad del producto en Español, visite www.crcindustries.com.

CRC BRAKLEEN Non-Chlorinated removes brake fluid, grease, oil and other contaminants from brake linings and drums. It also stops disc brake squeal and can be applied without disassembling the brake unit.

Does not contain Chlorinated Solvents or Silicones.

APPLICATIONS:

BRAKE LININGS • SPRINGS • CYLINDERS • DRUMS
CLUTCHES • C.V. JOINTS • DISC BRAKE PARTS
RELATED BRAKE PARTS

DIRECTIONS: *Read entire label before using this product.*

NOT FOR USE ON SENSITIVE ELECTRONIC EQUIPMENT SUCH AS TAPE DECKS, VCRS, COMPUTERS, ETC. USE CRC QD ELECTRONIC CLEANER FOR THESE APPLICATIONS.

WARNING: Contains Acetone 67-64-1 and Heptane isomers 142-82-5. Contents are extremely flammable. Vapors may create flammable atmosphere. Do not use near open flame or other sources of ignition. Avoid continuous breathing of vapor. **Excessive inhalation of dust and/or vapors may be harmful.** Avoid contact with skin and eyes. Overexposure to liquid or vapors can cause moderate to severe eye and skin irritation, irritation to upper respiratory tract, and central nervous system effects such as headache, dizziness, drowsiness or confusion. Deliberate misuse by concentrating and inhaling the contents can be harmful or fatal. Use with adequate ventilation. Open doors and windows or use other means to ensure a fresh air supply during use and while product is drying. Vapors are heavier than air and can accumulate in low areas. If you experience any symptoms listed on this label, increase ventilation or leave the area. This product contains a chemical known to the State of California to cause cancer, birth defects or other reproductive harm. **FIRST AID:** In case of eye or skin contact, flush with water for 15 minutes. If swallowed, DO NOT induce vomiting. If too much is breathed, remove to fresh air. For severe overexposure, call a physician immediately.

1. DO NOT use on polycarbonate plastics such as LEXAN®. If in doubt call the manufacturer of the equipment. **MAY ALSO BE HARMFUL TO OTHER PLASTICS.**
2. Protect all rubber brake parts, plastic and painted surfaces from product and overspray. DO NOT spray directly on painted surfaces. DO NOT apply while equipment is energized.
3. Wet down area to be cleaned with BRAKLEEN®. Avoid breathing any dust or vapors that may become airborne. (See inhalation warning.)
4. After all surfaces have been wetted, continue applying BRAKLEEN® to remove contaminants.
5. Air dry or wipe with a clean cloth.
6. For heavy deposits, repeat application as necessary.
7. Runoff should be collected and disposed of properly. (See disposal statement.)

Professional users should consult MSDS and follow all applicable OSHA regulations.

Also available in aerosol cans for spraying.

HANDLING AND SPILL PRECAUTIONS: Keep container closed when not in use. Wash thoroughly after handling. Do not enter where high vapor concentrations are suspected unless air-supplied respirator is used and a trained observer is present and equipped with rescue gear. Do not store above 100°F. For spill clean-up, use proper protective equipment. Use absorbent and store in closed containers for proper disposal. **DISPOSAL:** All used and unused product should be disposed of in conformance with local, state and federal regulations. Do NOT dump in sewers, floor drains, on the ground or into any body of water. For additional information, consult the Material Safety Data Sheet for this product. **KEEP AWAY FROM CHILDREN.**
