IF SWALLOWED. COMBUSTIBLE.**  
See warnings on back panel.

Net Wt. 12 fl. oz. (355 mL)

# Good to GO™

**Good to Go™ Ultimate Fuel System Treatment super-cleans your entire fuel system in just one tankful!**

Good to Go™ removes power-robbing deposits that can cause poor fuel economy, knocks, pings and hesitation. G2G™ effectively cleans combustion chambers, fuel injectors, intake valves/parts and fuel lines. Using Good to Go™ will also reduce the need for higher octane fuels and additives. Use G2G™ every time you change your oil and your vehicle will be Good to Go™!

Maximizes Performance  
Improves Fuel Economy  
Reduces Emissions

Reduces Knocks & Pings  
Prevents Corrosion  
Cleans Entire Fuel System

**Directions:** Read entire label before using this product. 1. Add entire contents of bottle, then fill tank with gasoline. 2. Use every 3000-4000 miles for preventative maintenance and maximum efficiency. For use with gasoline engines only.

**WARNING:** Contains Petroleum Distillate 8052-41-3 and Polyether amine 800967-5578P and Polyether 800967-5488P. Overexposure to vapor may cause eye and skin irritation, irritation to respiratory tract, headaches, dizziness, anesthesia, drowsiness, unconsciousness, and other central nervous system effects. Product is combustible and should be kept from all flames and other ignition sources. This product contains chemicals known to the State of California to cause cancer, birth defects and other reproductive harm. Use only in a well ventilated area. Avoid contact with skin and eyes. Avoid contact with water. If swallowed DO NOT induce vomiting. If too much is breathed remove to fresh air. For severe overexposure call physician immediately.

**KEEP AWAY FROM CHILDREN**

All used and unused product should be disposed of in conformance with local, state, and federal regulations.

For additional information, consult the Material Safety Data Sheet for this product.
