

# PHASE4 GUARD4<sup>®</sup> ETHANOL FUEL TREATMENT

## STOR & GO<sup>™</sup>

### corrosion protection for small engines

Stabilizes fuel & protects against  
damage caused by ethanol

For all gas &  
gas/oil blends

**SMALL ENGINE  
FORMULA  
TREATS UP TO  
2.5 GALS**

No. 05068 • Net Contents 1 fl oz/30 mL  
**WARNING: MAY CAUSE EYE OR SKIN IRRITATION.**  
READ WARNINGS ON BACK PANEL.

## PHASEGUARD4<sup>®</sup> STOR & GO<sup>™</sup> Ethanol Fuel Treatment for Small Engines

**FOR OPERATION AND STORAGE** of gas-powered lawn mowers, snowblowers, chain saws, rototillers, leaf blowers, lawn tractors, edgers, trimmers, brushcutters, ATVs, snowmobiles, motorcycles, scooters and more.

The maximum protection available to prevent harmful phase separation of fuel that can lead to equipment failure. PHASEGUARD4 STOR & GO Small Engine Formula protects tools and equipment from damage caused by ethanol fuel, cleans fuel system components, stabilizes fuel and restores power.

Effective in E10 to E85 fuel. May be used in all 2 or 4 cycle engines that use gasoline, gasoline/oil and ethanol blends. Not for use in diesel fuel.

### Protects Tools & Equipment From Damage Caused By Ethanol Fuel

**DIRECTIONS:** Read entire label before using this product. Add a 1 oz (30 mL) packet of **CRC PHASEGUARD4 STOR & GO** to up to 2.5 gallons of gasoline at each tank fill-up during in-season use and again when equipment is placed into off-season storage. Cannot over-treat if tank size is smaller than 2.5 gallons. For larger tank sizes, add 1 packet for every additional 2.5 gallons of fuel. Run engine for 5 minutes to allow treated fuel to run through fuel system and engine.

**CAUTION:** High strength formula may stain if dripped on fiberglass, vinyl or other surfaces. Protect surrounding areas when dispensing product.

**WARNING:** Contains White Mineral Oil 8042-47-5, hydrocarbon solvent 64741-86-2, substituted alkyl phenol 800967-5491P and alkylated phenol 800967-5523P. Product is combustible and should be kept from heat, open flames and other ignition sources. Avoid continuous breathing of vapor. Avoid contact with skin and eyes. Overexposure to liquid or vapors can cause mild to moderate irritation to eyes, skin, and upper respiratory tract, and central nervous system effects such as headache or dizziness. This product contains chemicals known to the State of California to cause cancer, birth defects or other reproductive harm. **FIRST AID:** In case of eye or skin contact, flush with water for 15 minutes. If swallowed, DO NOT induce vomiting. If too much is breathed, remove to fresh air. For severe overexposure, call physician immediately. **KEEP AWAY FROM CHILDREN**

All used and unused product should be disposed of in accordance with local, state and federal regulations. DO NOT DUMP in sewers, floor drains, on the ground, or into any body of water. For additional information, consult the Material Safety Data Sheet for this product.
