*CRC's Complete Diesel Fuel System Treatment and Emissions Test Formula will improve your vehicle's performance, fuel economy and reduce emissions. Our unique formula is so advanced, that we guarantee you'll pass your state's diesel-fuel emissions test, or WE'LL DOUBLE YOUR MONEY BACK!*

**DIRECTIONS:** Read entire label before using this product. For Diesel Fuel only. 1. One 12-ounce bottle treats up to 20 gallons of diesel fuel. 2. Pour into full tank of diesel fuel. 3. Maximum emission reduction is achieved when used 500 to 1000 miles before test is taken. 4. For optimum protection and maintenance use product four times per year. **CAUTION:** Use of this product in vehicles manufactured prior to 1990 may cause some particulate fuel system clogging due to concentrated detergent action. If clogging occurs, replace fuel filter.

**DOUBLE YOUR MONEY-BACK GUARANTEE:** In the event that purchaser uses G2P Complete Fuel System Treatment (Diesel Formula) in accordance with instructions and purchaser's vehicle fails to pass the applicable state motor vehicle emissions test, CRC Industries, Inc. will refund to purchaser double the purchase price of G2P Complete Fuel System Treatment (Diesel Formula). This guarantee is void if your vehicle's emission components are malfunctioning, altered or disabled, or if engine settings do not comply with manufacturer's specifications. For refund, write CRC-CFST, 885 Louis Drive, Warminster, PA 18974 for a refund claim form. Limit one (1) G2P refund per vehicle.

**WARNING:** Contains Petroleum Distillate 66476-34-5, Aromatic, Naphtalia 64742-94-5, 2-Ethylhexyl Nitrate 27247-96-7 and Polyethylenopoliamines 84806-20-9. Mixture is combustible and should be kept away from all flames and other ignition sources. Use in a well-ventilated area. This product contains chemicals known to the State of California to cause cancer, birth defects and other reproductive harm. Overexposure may cause headaches and nausea. Inhalation of mist may cause irritation to the upper respiratory tract and breathing problems. **FIRST AID:** If ingested, may be harmful or fatal. DO NOT induce vomiting. Call a physician immediately. If eye or skin contact, flush with water for 15 minutes. Call a physician if symptoms persist. **DISPOSAL:** All used and unused product should be disposed of in conformance with local, state and federal regulations. For additional information, consult the Material Safety Data Sheet for this product. **KEEP AWAY FROM CHILDREN.**
