DIRECTIONS: Read entire label before using this product. Follow all directions in numerical order.

1. Safe on most automotive plastics. Test on a small area before using.
2. Protect all rubber brake parts, and painted surfaces from product and overspray. DO NOT spray directly on painted surfaces. DO NOT apply while equipment is energized.
3. Wet down surfaces to be cleaned using short bursts of BRAKLEEN® at a distance of 18-24 inches. Avoid breathing any dust or vapors that may become airborne. (See inhalation warning.)
4. After all surfaces have been wetted, continue spraying BRAKLEEN® to remove contaminants.
5. Air dry or wipe with a clean cloth.
6. For heavy deposits, repeat application as necessary.
7. Runoff should be collected and disposed of properly. (See disposal statement.)

Professional users should consult MSDS and follow all applicable OSHA regulations.

WARNING: DANGER ☠ POISON Contains Methanol 67-56-1, Toluene 108-88-3, Acetone 67-64-1, Heptane 142-82-5, Xylene 1330-20-7 and Carbon Dioxide 124-38-9. Cannot be made non-poisonous. Do not puncture, incinerate or store can above 120°F. Exposure to high temperature may cause can to burst. Do not place in direct sunlight or near any heat source. Product is extremely flammable. Keep away from flames and other ignition sources. Overexposure to vapors may cause skin and eye irritation, headaches, nausea, dizziness, irritation to upper respiratory tract and irregular heartbeats. High concentrations have caused liver and kidney damage in laboratory animals. Deliberate misuse by concentrating and inhaling the contents can be harmful or fatal. **Excessive inhalation of dust and/or vapors may be harmful.** Use with adequate ventilation. Open doors and windows or use other means to ensure a fresh air supply during use and while product is drying. If you experience any symptoms listed on this label, increase ventilation or leave the area. This product contains a chemical known to the State of California to cause cancer and birth defects, or other reproductive harm. Avoid continuous breathing of vapor and spray mist. Avoid contact with skin and eyes. Vapors are heavier than air and can collect in low areas. If ventilation is not adequate, respiratory protection should be used. **DISPOSAL:** All used and unused product should be disposed of in accordance with local, state and federal regulations. **DO NOT** dump in sewers, floor drains, on the ground or into any body of water. **FIRST AID:** In case of eye or skin contact, flush with water for at least 15 minutes. If swallowed, **DO NOT** induce vomiting. If too much is breathed, remove to fresh air. For severe overexposure, call a physician. For more information, consult the Material Safety Data Sheet for this product.

KEEP AWAY FROM CHILDREN

SPECIAL USAGE WARNINGS: Contents Extremely Flammable. • Do not smoke while spraying. • Extinguish all flames, pilot lights, and heaters. • Do not apply while equipment is energized. • Vapors will accumulate readily and may ignite. • Use only with adequate ventilation; maintain ventilation during use and until vapors are gone.

ELECTRICAL SHOCK HAZARD: This can will conduct electricity. Keep away from all live electrical sources including Battery Terminals, Solenoids, Electrical Panels and other electronic components. **DO NOT** use with ignition in "ON" position. Failure to observe this warning may result in serious injury from flash fire and/or electrical shock.

This product is legal for sale and use in California.
