FUEL THERAPY® Diesel Injector Cleaner Plus

For complete product usage instructions and safety warnings in Spanish, go to www.crcindustries.com. Para obtener las instrucciones completas de uso y advertencias de seguridad del producto en Español, visite www.crcindustries.com.

Emissions reducing formula rated "SUPERIOR" in Cummins L-10 test for injector cleanliness. Exceeds CSCA requirements for Peugeot XUD-9 injector cleanliness.

- Stabilizes Fuel • Reduces Emissions • Lubricates Fuel • Increases MPG
- Prevents Corrosion • Maintains Cetane Rating • Increases Power • Reduces Black Smoke

This product complies with the federal ultra-low sulfur content requirements for use in all diesel motor vehicles and non-road engines. CRC DIESEL Fuel Therapy® is non-corrosive and contains no alcohol. Compatible with all diesel fuels. OK for biodiesel.

DIRECTIONS: Read entire label before using this product.

For preventive maintenance and biodiesel fuels: This container is sufficient to treat up to 35 gallons of diesel fuel.

For pre-existing conditions: Use 2 bottles to each 35 gallons of fuel. Pour into fuel tank and operate normally. For cold conditions, use CRC DIESEL FUEL THERAPY with Anti-Gel (#05412). For anticipated extreme conditions, add CRC DIESEL Cold Flow™ Anti-Gel with Lubricity (#05612) to fuel prior to temperature drop.

WARNING: Contains petroleum distillates 64742-80-9 and mineral spirits 8052-41-3. Product is combustible and should be kept from heat, open flames and other ignition sources. Avoid breathing vapor. Avoid contact with skin and eyes. Overexposure to liquid or vapors can cause irritation to eyes, skin, and upper respiratory tract, and headache or dizziness. Product may pose an aspiration hazard if swallowed. Use with adequate ventilation. This product contains chemicals known to the State of California to cause cancer, birth defects or other reproductive harm.

FIRST AID: In case of eye or skin contact, flush with water for 15 minutes. If swallowed, DO NOT induce vomiting. If too much is breathed, remove to fresh air. For severe overexposure, call physician immediately. For additional information, consult SDS for this product.

DISPOSAL: All used and unused product should be disposed of in conformance with local, state and federal regulations. Do not dump in sewers, floor drains, on the ground, or into any body of water. **KEEP AWAY FROM CHILDREN**
