

Carb-Life™

Carburetor Cleaner

- Removes Gums, Varnish & Moisture
- Cleans Carburetor Without Disassembly
- Oxygen Sensor Safe

DANGER: CAUTION
 HAZARD ON HOT & SPARKING
 READ WARNINGS ON BACK PANEL

PART NO. 05333
 NET CONTENTS 12 FL. OZ. (355 mL)

Cleans carburetor, fuel system and intake valves. Prevents rust and corrosion in carburetor. Protects against carburetor icing and stalling. Stops engine knock caused by combustion chamber deposits.

DIRECTIONS: Read entire label before use. 1. In Gas tank: add contents to 12 or more gallons of fuel. For existing deposit problems, initially use 2 containers per tankful. Avoid spilling on painted surfaces. 2. To Protect Engine During Storage: add the contents directly to a full gas tank. Drive for several miles to distribute CRC Carb-Life throughout the system.

WARNING: Contains Petroleum Distillate 68476-34-6, Polyether Amine 800967-5578P and Polyether 800967-5488P. Overexposure to vapor may cause eye and skin irritation, irritation to respiratory tract, headaches, dizziness, anesthesia, drowsiness, unconsciousness and other central nervous system effects. Product is combustible and should be kept from all flames and other ignition sources. This product contains a chemical known to the state of California to cause cancer and birth defects, or other reproductive harm. Use only in a well ventilated area. Avoid continuous breathing of vapors. Avoid contact with skin and eyes. **FIRST AID:** In case of eye or skin contact, flush with large amounts of water for at least 15 minutes. If swallowed, do not induce vomiting. If too much is breathed, remove to fresh air. For severe overexposure, call a physician immediately.

KEEP AWAY FROM CHILDREN

All used and unused product should be disposed of in conformance with local, state, and federal regulations. For additional information, consult the Material Safety Data Sheet for this product.
