

CRC SMOKE STOP™ with PBX²™

Engine Smoke Reducer

CRC SMOKE STOP with PBX™ is a concentrated oil treatment specifically developed to help stop excessive exhaust smoking and oil burning. Compatible with all motor oils. Harmless to catalytic converters.

Note: CRC Smoke Stop™ with PBX™ will not compensate for defective or extremely worn parts that need overhaul or replacement.

DIRECTIONS: *Read entire label before using this product.*

Add entire contents to warm engine at or between oil changes. One can of Smoke Stop™ with PBX™ treats 5 quarts of oil. For larger or smaller engines, use a ratio of 2.4 ounces for each quart of oil.

WARNING: Contains severely refined heavy paraffinic distillates 64741-88-4, naphthenic oil 64742-52-5 and proprietary polymer additives. Avoid continuous breathing of vapors. Do not swallow. Avoid contact with skin and eyes. Do not use or store near heat or flame.

FIRST AID: In case of eye or skin contact, flush with water for 15 minutes. If swallowed, DO NOT induce vomiting. If too much is breathed, remove to fresh air. For severe overexposure, call a physician immediately. For additional information, consult the Material Safety Data Sheet for this product.

DISPOSAL: All used and unused product should be disposed of in conformance with local, state and federal regulations. Do NOT dump in sewers, floor drains, on the ground or into any body of water.
