SWALLOWED. READ WARNINGS ON BACK PANEL.**

**PART NO. 05342**  
Net Contents 12 fl. oz. (355 mL)

## **CRC** GAS LINE ANTI-FREEZE

Prevents frozen gas lines. Inhibits rust and corrosion. Cleans entire fuel system. Increases acceleration and assures quicker starting. Prevents stalling from carburetor icing. For use with gasoline engines. Can be used with catalytic converters.

**DIRECTIONS:** *Read entire label before use.* Pour one container into fuel tank for every 30 gallons of gasoline to prevent gas line freezing and carburetor icing. Use entire contents at once.

**WARNING:**  **POISON** Contains Methanol 67-56-1. Flammable mixture. Do not use near fire or flame. Keep away from all heat sources. Cannot be made non-poisonous. Use with adequate ventilation. Open doors and windows or use other means to ensure a fresh air supply during use and while product is drying. If you experience any symptoms listed on this label, increase ventilation or leave the area. Keep eyes covered. Avoid contact with eyes.  
**FIRST AID:** In case of eye or skin contact, immediately flush with large amounts of water for at least 15 minutes. If swallowed, give water or milk and induce vomiting. Call a physician, hospital or poison control center immediately to get instructions to induce vomiting. If spilled on painted surfaces, immediately wash off with water. **KEEP AWAY FROM CHILDREN.**

All used and unused product should be disposed of in conformance with local, state, and federal regulations. **DO NOT** dump in sewers, floor drains, on the ground, or in any body of water.

For additional information, consult the Material Safety Data Sheet for this product.
