

# HIGH MILEAGE ENGINE FLUSH OIL SYSTEM CLEANER

## HIGH MILEAGE ENGINE FLUSH OIL SYSTEM CLEANER

**Why put clean oil in a dirty engine?** High mileage engines often have years of sludge and varnish accumulation that affect a vehicle's performance and efficiency. CRC has developed this advanced formula oil system cleaner to aggressively remove these power-robbing deposits from internal engine components, oil passages and the valve-train. Simply use CRC's High Mileage Engine Flush at your next oil change and you'll feel the difference.

**Designed exclusively for vehicles with more than 75,000 miles.**

- Improves engine efficiency & fuel economy
- Removes sludge, varnish & gum deposits from internal engine components and oil passages
- Extends engine life
- Frees sticky valves, filters and piston rings
- Contains powerful additives and detergents
- Use every 6,000 miles for maximum engine efficiency.

**DIRECTIONS:** Read entire label before using this product. Before changing your oil...

1. Ensure oil level is near full.
2. With engine off, add one can of CRC's High Mileage Engine Flush to the vehicle's oil. Replace oil filler cap.
3. Start the engine and let idle for 5 minutes. Do not drive, rev or race the engine.
4. Shut-off engine, remove old filter and drain oil.
5. Replace drain plug, filter and oil according to the manufacturer's specifications. For oil capacities more than 5 quarts: Use 6 ounces of Engine Flush for every additional quart of oil.

**WARNING:** Contains Petroleum Distillate 68476-34-6, 2-Butoxy Ethanol 111-76-2, Xylene 1330-20-7, Ethyl Benzene 100-41-4, Acetone 67-64-1, Petroleum Distillate 64742-52-5 and Petroleum Distillate 64741-88-4. Overexposure to vapor may cause eye irritation, headaches, nausea, irritation to upper respiratory tract and other central nervous system effects. Product is flammable and should be kept from all flames and other ignition sources. This product contains chemicals known to the State of California to cause cancer, birth defects and other reproductive harm. Use with adequate ventilation. Open doors and windows or use other means to ensure a fresh air supply during use and while product is drying. If you experience any symptoms listed on this label, increase ventilation or leave the area. Avoid continuous breathing of vapor and spray mist. Avoid contact with skin and eyes. **FIRST AID:** In case of eye or skin contact, flush with large amounts of water for at least 15 minutes. If swallowed, do not induce vomiting. If too much is breathed, remove to fresh air. For severe overexposure, call a physician immediately. **KEEP AWAY FROM CHILDREN.**

All used and unused product should be disposed of in conformance with local, state and federal regulations.
