

# Di-Electric Bulb & Connector Grease

- Protects Light Bulbs and Electrical Connections
- Waterproof & Heat Resistant
- Prevents Arcing & Shorts

PART NO. 05505 • NET WT. .28 oz. (8.0 g)

**CRC Tow Kool™ Di-Electric Grease** is specially formulated to provide superior electrical protection in extreme conditions. **Tow Kool™ Di-Electric Grease** repels moisture, corrosion, road salt, dirt and oils from penetrating electrical connectors. Moisture and corrosion can cause arcing, shorts and electrical fires if neglected or unprotected. **Tow Kool™ Di-Electric Grease** also lubricates and insulates electronic contacts, O-rings, plastic and rubber components.

#### IDEAL FOR USE ON . . .

Trailer Connectors • Light bulb sockets • Spark plug boots • Battery terminals  
Wire connectors • O-ring lubrication • Plastic & Rubber lubrication  
Ignition components • Outdoor sockets • Weather stripping

#### DIRECTIONS: Read entire label before using this product.

1. Shut off power supply, be sure all stored power is discharged and surfaces are allowed to cool before using this product.
2. Clean surfaces, connectors and/or contacts with CRC QD™ Electronic Cleaner.
3. Apply **Tow Kool™ Di-Electric Grease** liberally to both connectors and/or components requiring lubrication.
4. Wipe off excess with dry cloth.
5. Reassemble connector.

**WARNING:** Contains Dimethylpolysiloxane 61348-62-9. Use only in a well ventilated area. Avoid contact with skin and eyes.

**FIRST AID:** In case of eye contact, flush with water for 15 minutes. For skin contact, wash thoroughly. If swallowed, may be harmful or fatal. DO NOT induce vomiting. If too much is breathed, remove to fresh air. For severe overexposure, call a physician immediately.

*For the ultimate in driving and towing protection, look for other Tow Kool™ additives and lubricants.*

#### KEEP AWAY FROM CHILDREN
