Net Contents 12 fl. oz. (355 mL)

DIESEL DRY™ Diesel Water Remover

For complete product usage instructions and safety warnings in Spanish, go to www.crcindustries.com. Para obtener las instrucciones completas de uso y advertencias de seguridad del producto en Español, visite www.crcindustries.com.

DIESEL DRY is a special blend of water dispersants and solubilizers designed to improve diesel performance. Contains no alcohol. DIESEL DRY is a "waterproofing" treatment for your diesel system. Protects engine against damage caused by excessive water build-up. Keeps injector system clean. Prevents harmful sludge sediment. Compatible with all diesel fuels.

This product complies with the federal ultra-low sulfur content requirements for use in all diesel motor vehicles and non-road engines.

DIRECTIONS: Read entire label before using this product.

Passenger Cars: Use one container in every other tankful until problem is eliminated.

Trucks and Large Diesels: Use one container with every fill up.

WARNING: Contains Petroleum Distillate 68476-34-6, Stoddard Solvent 8052-41-3, 2-Butoxy Ethanol 111-76-2, Hydroxyethylated aminoethylamide 800967-5341P. Overexposure to vapor may cause eye and skin irritation, irritation to respiratory tract, headaches, dizziness, anesthesia, drowsiness, unconsciousness and other central nervous system effects. Product is combustible and should be kept from all flames and other ignition sources. This product contains chemicals known to the State of California to cause cancer, birth defects and other reproductive harm. Use only in a well ventilated area. Avoid continuous breathing of vapors. Avoid contact with skin and eyes. **FIRST AID:** In case of eye or skin contact, flush with water for 15 minutes. If swallowed, DO NOT induce vomiting. If too much is breathed remove to fresh air. For severe overexposure, call a physician immediately. **KEEP AWAY FROM CHILDREN.**

For additional information, consult the Material Safety Data Sheet for this product. All used and unused product should be disposed of in accordance with local, state and federal regulations. DO NOT dump in sewers, floor drains, on the ground, or into any body of water.
