

# Friction Guard™ for Oil

For complete product usage instructions and safety warnings in Spanish, go to [www.crcindustries.com](http://www.crcindustries.com). Para obtener las instrucciones completas de uso y advertencias de seguridad del producto en Español, visite [www.crcindustries.com](http://www.crcindustries.com).

**Renew Compression • Fight Deposits • Increase Fuel Economy**

**CRC Friction Guard™ for Oil** is a concentrated friction reducer allowing pistons to move freely inside the combustion chamber. It reduces wear and scoring on cylinder walls and prevents compression leaks. Enhanced with anti-wear and anti-corrosion additives, detergents and seal conditioners, CRC FRICTION GUARD FOR OIL increases MPG, cleans sludge and varnish buildup, improves deposit control, helps rejuvenate seals and reduces oil consumption and emissions.

Fortifies engine oil to fight breakdown and withstand the extreme heat of GDI engines. Compatible with all types of conventional and synthetic motor oils. For use in gasoline & diesel engines.

### **DIRECTIONS: Read entire label before using this product.**

1. With motor off and cool, pour entire contents into engine oil. Do not overfill. Treats up to 5 quarts of engine oil.
2. For best results install after every oil change.

**WARNING:** Contains mineral oil, 2-ethylhexanol 104-76-7, ethoxylated amine, heterocyclic ether, and petroleum naphtha 67472-94-5. Contact with liquid can cause irritation to eyes or skin. Vapors may cause headache or dizziness. Product may pose an aspiration hazard if swallowed. Deliberate misuse by concentrating and inhaling the contents is illegal and can be harmful or fatal. Inhalation abuse can cause death. Use in a well ventilated area. Warning: This product contains chemicals known to the State of California to cause cancer, birth defects and other reproductive harm.

**FIRST AID:** In case of eye or skin contact, flush with water for 15 minutes. If too much is breathed, remove to fresh air. If swallowed, DO NOT induce vomiting. Call physician immediately. For additional information, consult SDS for this product.

**DISPOSAL:** All used and unused product should be disposed of in conformance with local, state and federal regulations. Do not dump in sewers, floor drains, on the ground, or into any body of water.

**KEEP AWAY FROM CHILDREN**
