# GUARANTEED TO PASS Diesel

**PASS OR DOUBLE YOUR MONEY BACK!**

## ADVANCED Fuel System Treatment and Emissions Reducer

*Guaranteed to Pass® Diesel (G2PD)* super-cleans your fuel system to reduce Nitrogen Oxides (NOx) and Particulate Matter (PM) from your exhaust. Rated "SUPERIOR" in the Cummins L-10 engine test for injector cleanliness. G2PD also:

- ▶ Increases your truck's performance and MPG
- ▶ Improves cetane rating by up to 8 points
- ▶ Protects against harmful corrosion
- ▶ Decreases engine noise
- ▶ Prevents varnish and gum build-up
- ▶ Improves combustion
- ▶ Reduces the chance of engine misfire

Your unique formula is so advanced, that we guarantee you'll pass your diesel-fuel emissions test, or **DOUBLE YOUR MONEY BACK.**

### Money-Back Guarantee:

In the event that purchaser uses *Guaranteed to Pass® Diesel, The Heavy-Duty Vehicle Emissions Test Passer (G2PD)*, in accordance with instructions and purchaser's vehicle fails to pass the applicable state diesel emissions test within 5000 miles of adding product, CRC Industries, Inc. will refund double the purchase price of G2PD. This guarantee is void if vehicle's emissions components are malfunctioning, altered or disabled, or if engine settings do not comply with manufacturers' specifications. For refund, write CRC-G2PD, 885 Louis Drive, Warminster, PA 18974 to receive a refund claim form. Limit one (1) G2PD refund per vehicle.

### Directions to Pass Emissions Test. Read entire label before using this product.

#### Trucks

1. One gallon treats 500 gallons of diesel fuel.
2. Pour one quart into each full tank of diesel fuel. Must treat both saddle tanks to pass emissions.
3. Maximum emission reduction is achieved when used 500 to 1000 miles before test is taken.
4. For optimum protection and maintenance use product three times per year.

#### Buses

1. Use 1/2 quart to treat 60 gallons of diesel fuel.

**Caution:** Use of this product in vehicles manufactured prior to 1990 may cause some particulate fuel system clogging due to concentrated detergent action. If clogging occurs, replace fuel filter.

**Warning:** Contains Petroleum Distillate 66476-34-5, Aromatic Naphtha 64742-94-5, 2-Ethylhexyl Nitrate 27247-96-7 and Polyethylenepolyamines 84605-20-9. Mixture is combustible and should be kept away from all flames and other ignition sources. Use in a well-ventilated area. This product contains chemicals known to the State of California to cause cancer, birth defects and other reproductive harm. Overexposure may cause headaches and nausea. Inhalation of mist may cause irritation to the upper respiratory tract and breathing problems.

**First Aid:** If ingested, may be harmful or fatal. DO NOT induce vomiting. Call a physician immediately. If eye or skin contact, flush with water for 15 minutes. Call a physician if symptoms persist.

**Dispose:** All used and unused product should be disposed of in conformance with local, state and federal regulations.

For additional information, consult the Material Safety Data Sheet for this product.

**KEEP AWAY FROM CHILDREN.**
