

Bio-Con®

Water & Sludge
Sediment Remover
for Diesel Fuel

Marine

Net 12 fl. oz. (355 mL) • Part No. 06065

DANGER: COMBUSTIBLE. HARMFUL OR FATAL IF SWALLOWED. EYE AND SKIN IRRITANT.

Read warnings on back panel.

Removes water and sludge sediment from diesel fuel. Disperses moisture. Eliminates corrosion and rust. Eliminates and prevents clogging of injectors. Eliminates hard starting and excessive smoking. Keeps fuel tank, lines and filters clean.

DIRECTIONS: Read entire label before using this product. 1. To ensure uniform dispersion, add Bio-Con when tank is half filled. Use entire contents at once. One container treats 50 gallons of diesel fuel. As an initial treatment, use 2 containers to clean the system more rapidly. 2. Once cleaned, one container every third or fourth tankful is sufficient to maintain cleanliness.

WARNINGS: Contains Wetting Agent 26264-05-1, Petroleum Distillate 68476-34-6, 2(Thiocyanomethylthio)Benzo Triazole 21564-17-0 and 2-Butoxy Ethanol 111-76-2. Overexposure to vapor may cause eye and skin irritation, irritation to respiratory tract, headaches, dizziness, anesthesia, drowsiness, unconsciousness and other central nervous system effects. Product is combustible and should be kept from all flames and other ignition sources. This product contains chemicals known to the State of California to cause cancer, birth defects and other reproductive harm. Use only in a well ventilated area. Avoid continuous breathing of vapors. Avoid contact with skin and eyes. **FIRST AID:** In case of eye contact, flush with water for 15 minutes. If swallowed, DO NOT induce vomiting. If too much is breathed, remove to fresh air. For severe overexposure, call physician immediately.

KEEP AWAY FROM CHILDREN.

For additional information, consult the Material Safety Data Sheet for this product.

All used and unused product should be disposed of in accordance with local, state, and federal regulations.
