CRC Marine Fuel Stabilizer Diesel Formula

Concentrated, high-potency formula keeps diesel fuel fresh for easy starting next season and optimum performance year-round. Protects against gum and resin build-up to prevent clogged injectors, filters and fuel lines. Protects internal engine components and fuel system from corrosion. No messy draining of fuel or fire hazard. Preserves fuel up to one year.

DIRECTIONS: Read entire label before using this product. Add 1 oz. Stabilizer for every 10 gallons of diesel fuel. Run engine for 5-10 minutes to allow treated fuel to run through fuel system and engine. Preserves stored fuel up to 12 months.

WARNING: Contains Petroleum Distillate 64742-53-6 and organic additive (mixture). Avoid continuous breathing of vapor and spray mists. Avoid contact with skin and eyes. May cause eye and skin irritation. This product contains chemicals known to the State of California to cause cancer, birth defects and other reproductive harm

FIRST AID: In case of eye contact, flush with water for 15 minutes. For skin contact, wash with soap and water. If swallowed DO NOT induce vomiting. If too much is breathed, remove to fresh air. For severe overexposure call physician immediately. **KEEP AWAY FROM CHILDREN.**

For additional information, consult the Material Safety Data Sheet for this product.
 All used and unused product should be disposed of in accordance with local, state and federal regulations
