

White Lithium Grease

NAPA/CRC White Lithium Grease is a high quality, multi-purpose grease for automotive, shop and home use. It provides long lasting lubrication with excellent water and heat resistance and film strength. White Lithium Grease gives superior performance in any weather or temperature. Ideal for all metal to metal lubrication.

Lubricates brake and gear shift mechanisms, steering parts, hinges, latches, distributor cams, speedometer cables, seat tracks, ash tray guides, antennas, sprockets and chains, water pumps and garage door channels. Break-in lubrication for bearings, etc. Lubricates machines, tools, equipment in the shop, on the farm and in the home.

DIRECTIONS: *Read entire label before using this product.*

1. Do not apply while equipment is energized.
2. Shake well before use.
3. Clean area to be lubricated.
4. Spray in light, even coats.
5. Use extension tube for hard-to-reach areas.

WARNING: Contains hexane isomers 64742-49-0/107-83-5, petroleum distillates 64742-52-5, hydrocarbon propellant 68476-86-8, and n-hexane 110-54-3. Do not puncture or incinerate container. Do not expose to heat or store at temperatures above 120°F/49°C. Exposure to high temperature may cause can to burst. Do not place in direct sunlight or near any heat source. Product is extremely flammable and should be kept from flames and other ignition sources. Avoid continuous breathing of vapor and spray mist. Avoid contact with skin and eyes. Overexposure to liquid or vapors can cause eye and skin irritation, irritation to upper respiratory tract, and central nervous system effects such as headache, dizziness, drowsiness or confusion. This product contains chemicals known to the State of California to cause cancer. Product may pose an aspiration hazard if swallowed. Deliberate misuse by concentrating and inhaling the contents is illegal and can be harmful or fatal. Inhalation abuse can cause death. Use with adequate ventilation. Open doors and windows or use other means to ensure a fresh air supply during use and while product is drying. Vapors are heavier than air and can accumulate in low areas. If you experience any symptoms listed on this label, increase ventilation or leave the area.

SPECIAL USAGE WARNINGS: Contents Extremely Flammable. Do not smoke while spraying. Extinguish all flames, pilot lights, and heaters. Do not use on energized equipment. Vapors will accumulate readily and may ignite. Use only with adequate ventilation; maintain ventilation during use and until vapors are gone.

FIRST AID: In case of eye or skin contact, flush with water for 15 minutes. If too much is breathed, remove to fresh air. If swallowed, DO NOT induce vomiting. Call a physician immediately. For additional information, consult the SDS for this product.

DISPOSAL: All used and unused product should be disposed of in conformance with local, state and federal regulations. Do not dump in sewers, on the ground, or into any body of water.

KEEP AWAY FROM CHILDREN

ELECTRICAL SHOCK HAZARD: This can will conduct electricity. Keep away from all live electrical sources including battery terminals, solenoids, electrical panels and other electronic components. DO NOT use with ignition in "ON" position. Failure to observe this warning may result in serious injury from flash fire and/or electrical shock.
