 READ WARNINGS ON BACK PANEL.

PART NO. 095331
 Net Contents 12 fl. oz. (355 mL)

NAPA/CRC VALVE-KLEEN™

Concentrated solvent, not a detergent additive. Ideal for use in new, old, or rebuilt engines. Compatible with all types of motor oil. Regular use keeps lifters and valves clean by dissolving sludge, gum, and varnish. Prevents new deposit formation. Keeps engine operating at peak efficiency.

Note: Valve-Kleen will not compensate for mechanical defects.

DIRECTIONS: Read entire label before use. 1. Add entire contents to crankcase. Repeat with every oil change. 2. Use entire contents at once.

WARNING: Contains Mineral Oil 64742-65-0, Xylene 1330-20-7, Acetone 67-64-1, Cyclohexanol 108-93-0, 2-Butanol 78-92-2. Overexposure to vapor may cause eye and skin irritation, headaches, nausea, dizziness, irritation to upper respiratory tract, and central nervous system effects and irregular heartbeats. Product is flammable and should be kept from all flames and other ignition sources. High concentrations have caused liver and kidney effects in laboratory animals. This product contains chemicals known to the State of California to cause cancer, birth defects and other reproductive harm. Use only in a well ventilated area. Avoid continuous breathing of vapor and spray mist. Avoid contact with skin and eyes. **FIRST AID:** In case of eye or skin contact, flush with large amounts of water for at least 15 minutes. If swallowed, do not induce vomiting. If too much is breathed, remove to fresh air. For severe overexposure, call a physician immediately. **KEEP AWAY FROM CHILDREN.**

All used and unused product should be disposed of in conformance with local, state, and federal regulations. For additional information, consult the Material Safety Data Sheet for this product.
