**PART NO. 095343**  
 Net Contents 12 fl. oz. (355 mL)

## NAPA/CRC FOR GAS TANKS

Disperses water, inhibits corrosion, and prevents fuel lines from freezing. Cleans and protects fuel system. Assures faster starting and quicker pickup.

**DIRECTIONS:** Read entire label before use. 1. For a 12-16 gallon tank, add one bottle three or four times a year, or more often if necessary, to remove water. 2. To prevent frozen gas lines during cold weather, add one bottle with every tankful. 3. For best results, add when fuel is at low level.

**WARNING:** Contains Isopropyl Alcohol 67-63-0. Liquid and vapors are flammable. Keep away from open flame, heat, sparks and any other source of ignition. Avoid breathing vapor and use with adequate ventilation. Liquid is irritating to the eyes and skin, and contact should be avoided. Deliberate misuse by concentrating and inhaling the contents can be harmful or fatal. Vapor may be irritating to respiratory tract and may cause headaches and dizziness. **FIRST AID:** In case of eye or skin contact, flush with large amounts of water for at least 15 minutes. If swallowed, induce vomiting. If symptoms persist, call a physician immediately.

**KEEP AWAY FROM CHILDREN.**

All used and unused product should be disposed of in conformance with local, state, and federal regulations.
